The Wind of Change

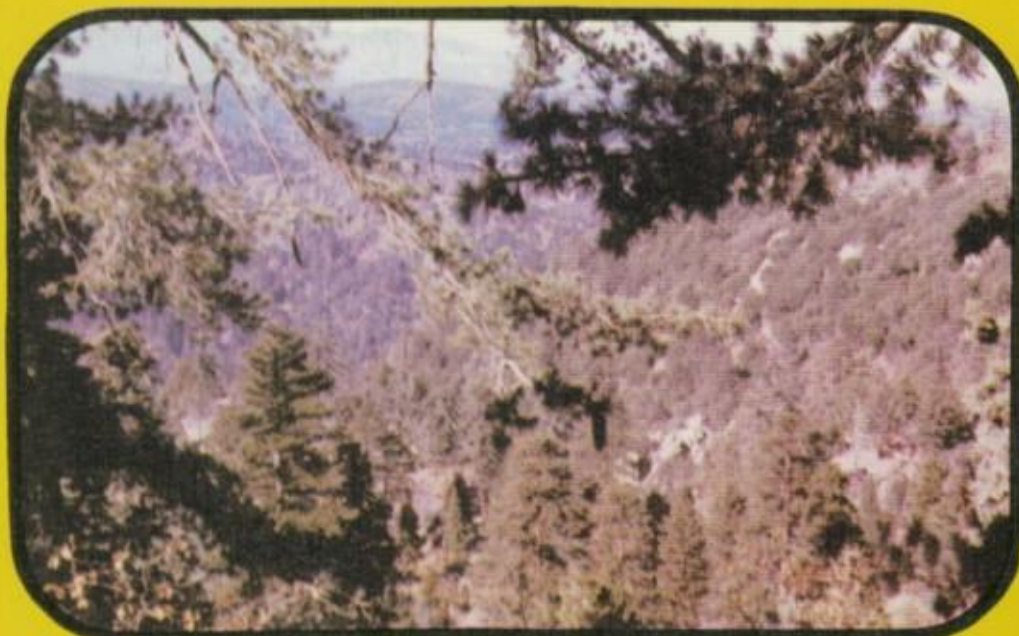

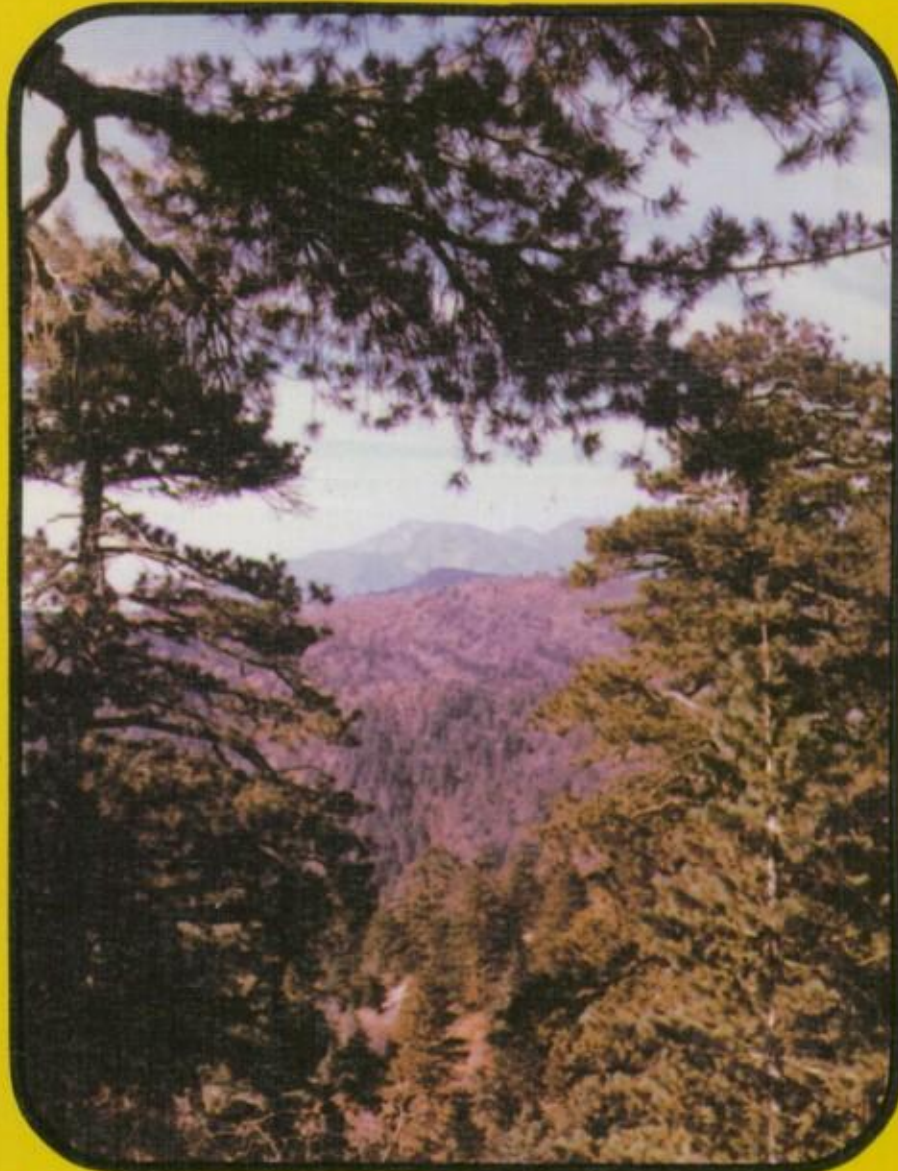

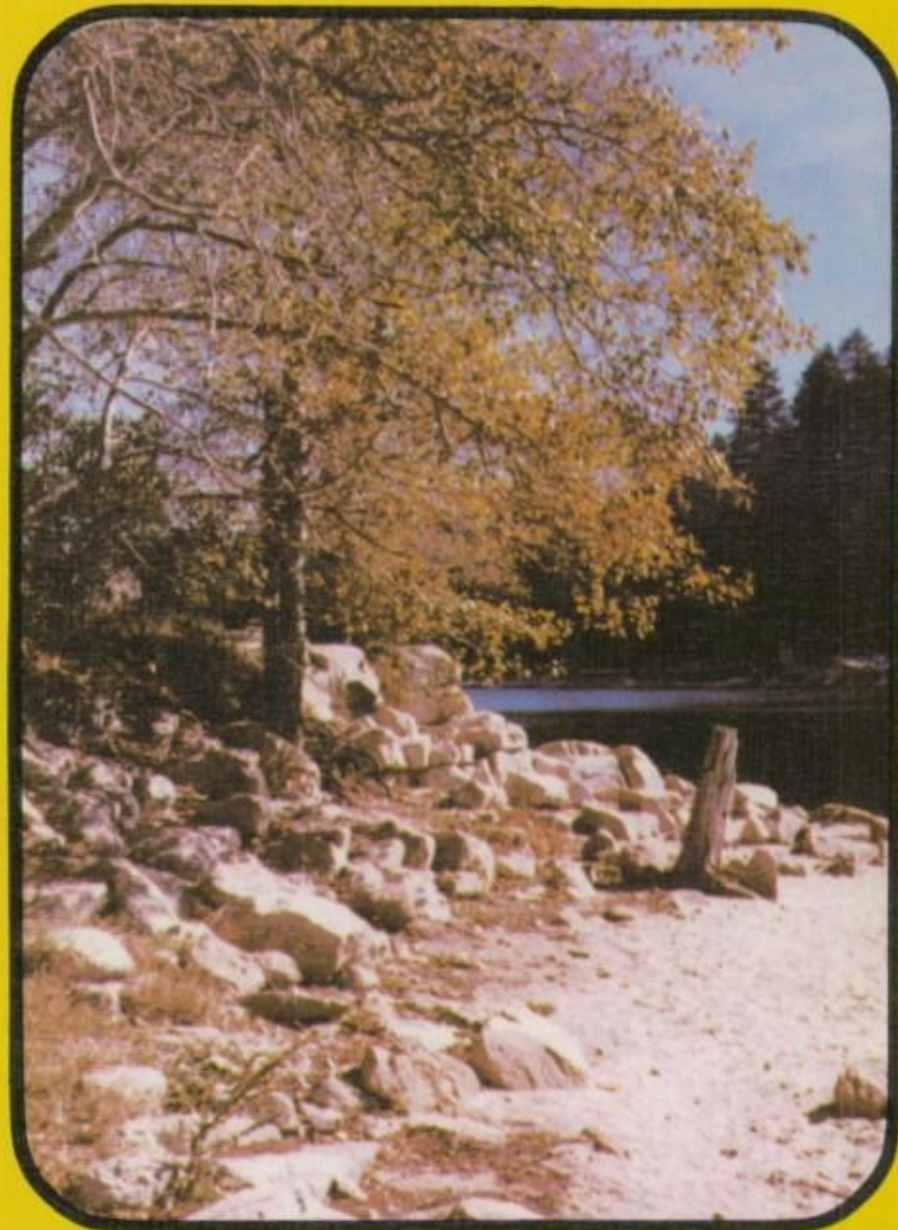

The Wind of Change

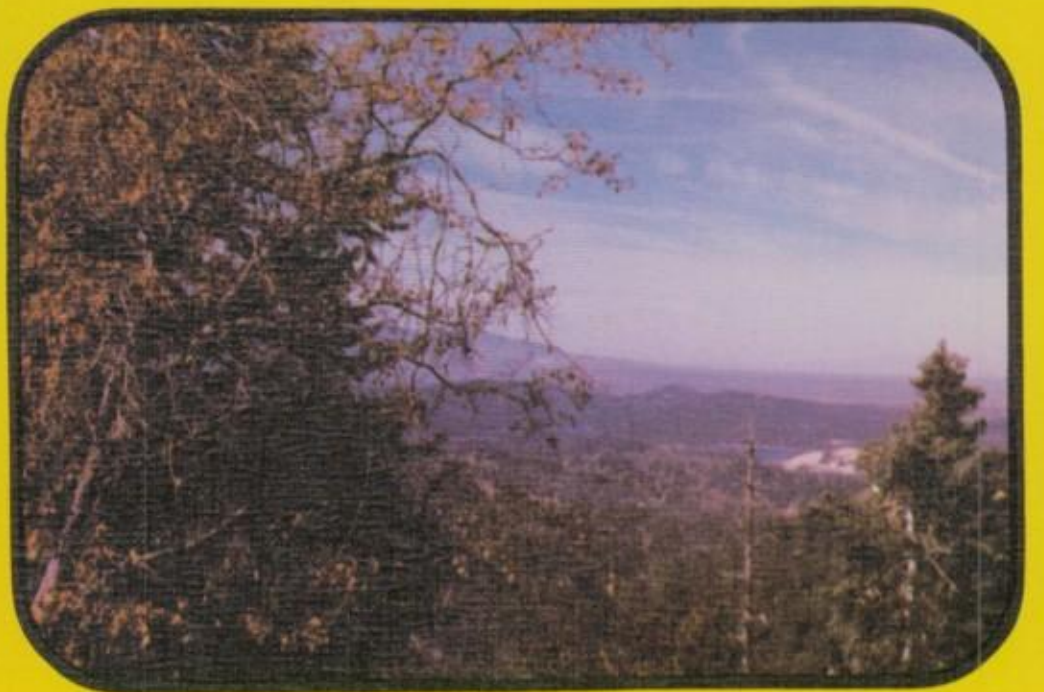

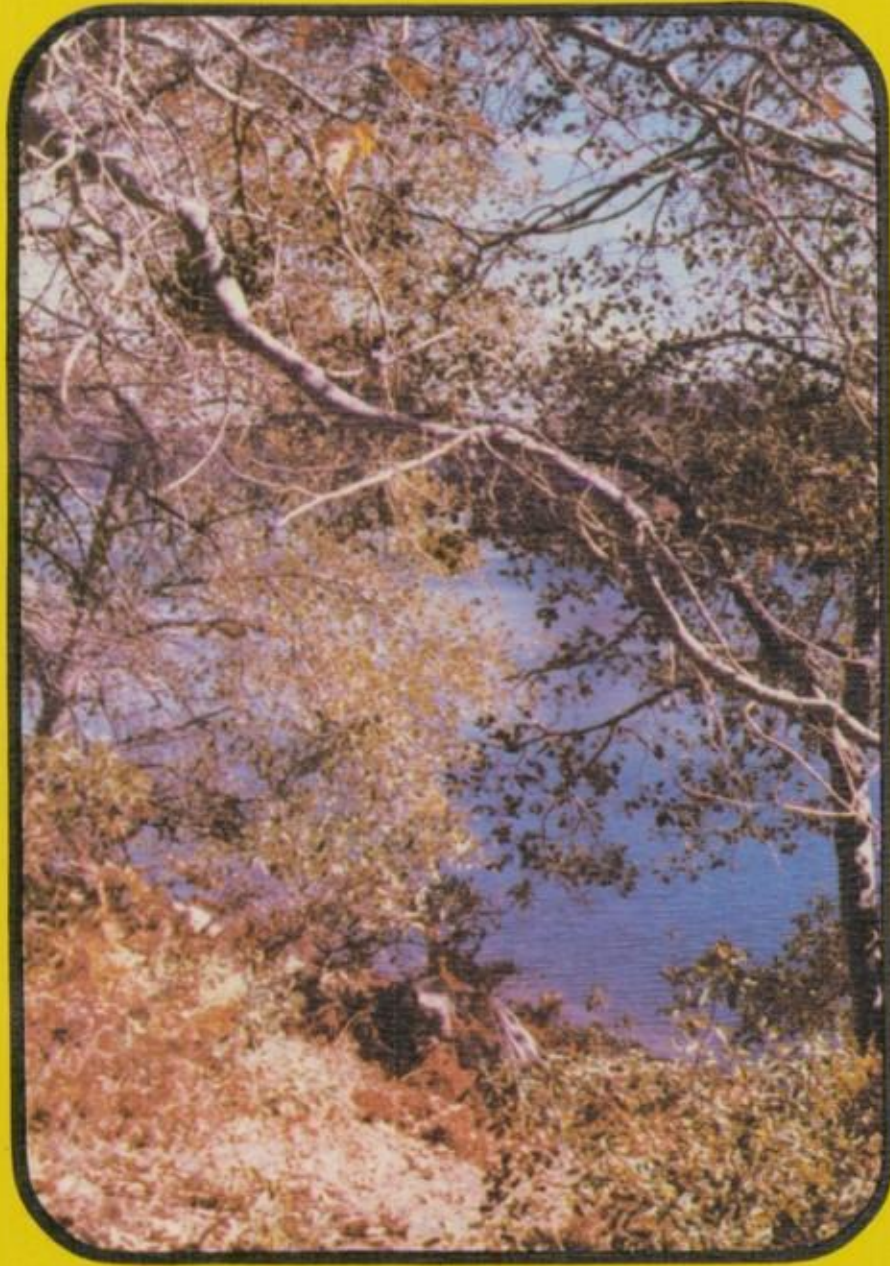

*Countless are the times it has blown across
Our lives.
The things we have done,
Friends we have made,
The
 laughs,
 smiles,
 tears —
They all come together
to form a Passage of Time.*

*As we grow older,
May we always remember
The happy times
 The silly times
 The learning times
 And the growing up times.
These moments in our lives
Are to be remembered always.
 Pack them carefully away
In the velvet jewel boxes of our minds
And be sure to
 dust them occasionally*

*When
 the heart yearns for
 the joys of times that have
 passed.
 The Wind of Change.
 It brought us all together —
May it keep us forever close at heart.*

— Susette Overton

DEDICATED TO MR. DEMENT

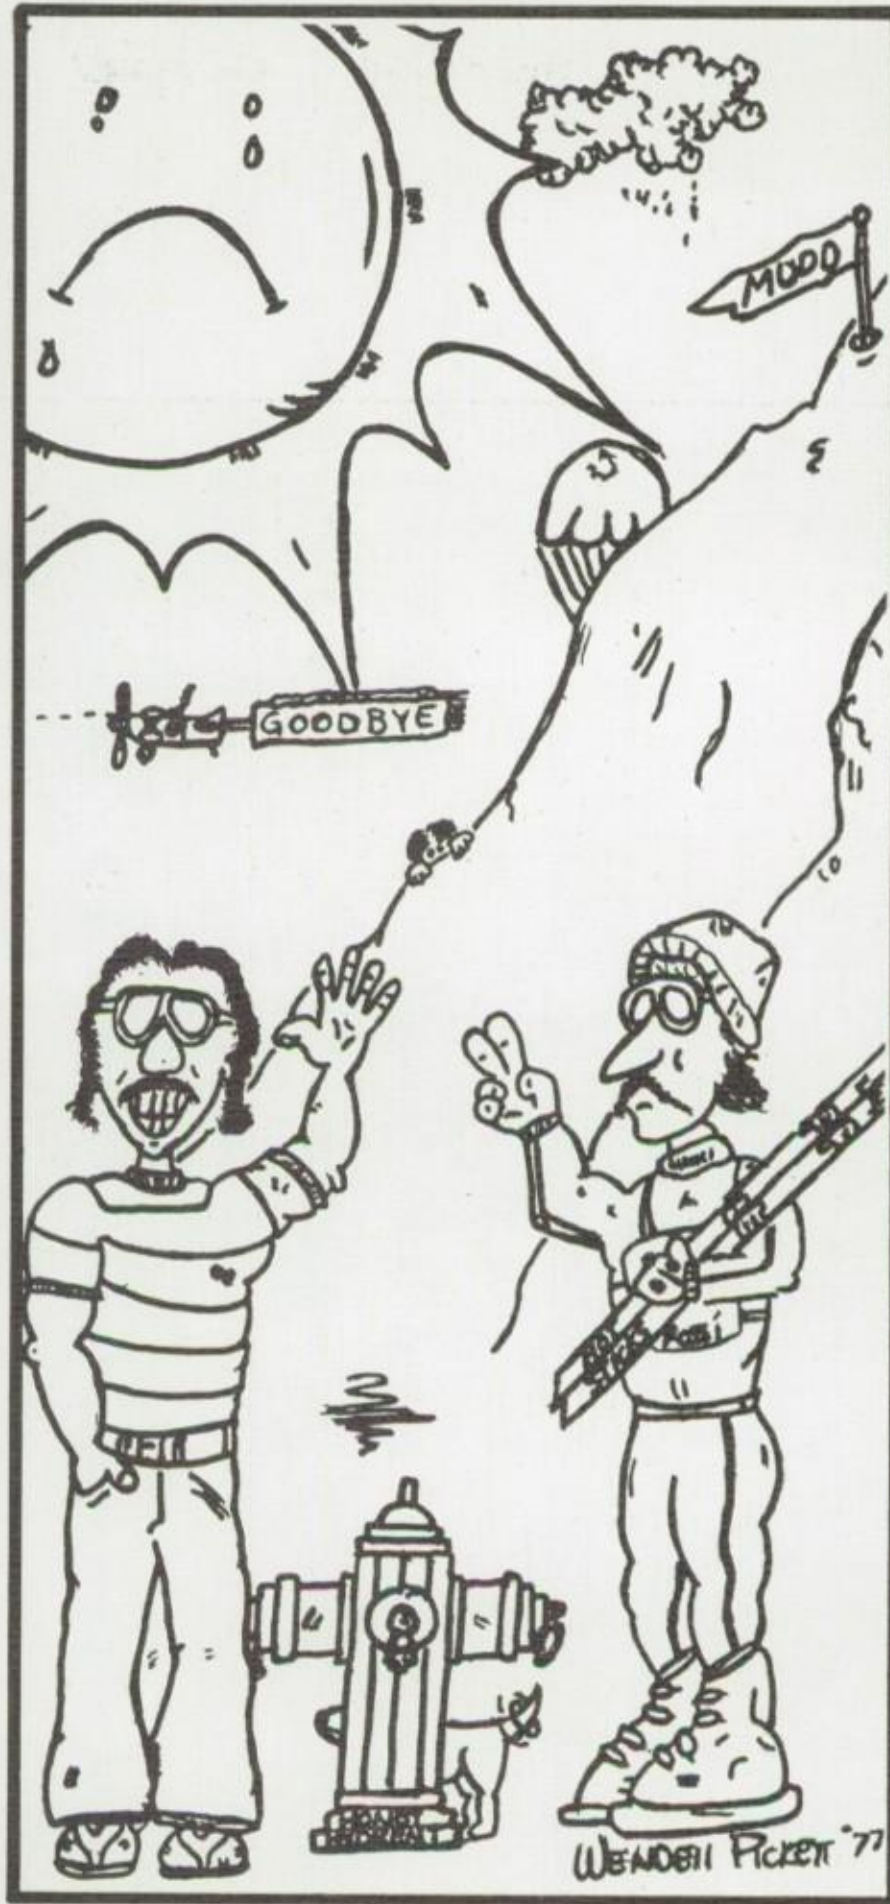

Mr. DeMent has been a part of the Rim High School lifestyle since its beginning in 1955. While here he has held jobs varying from principal to counselor and has attended special conventions for the betterment of the school and its curriculum. But the largest part of the time has been spent in countless hours in close contact with the students both as a principal and as a counselor. With his guidance, many students have found that Rim High really has a lot to offer.

With his absence in the coming years, Rim High is losing its right hand as well as a great friend. Good-bye and Thank You.

From *ALL* of us,
1955-1978

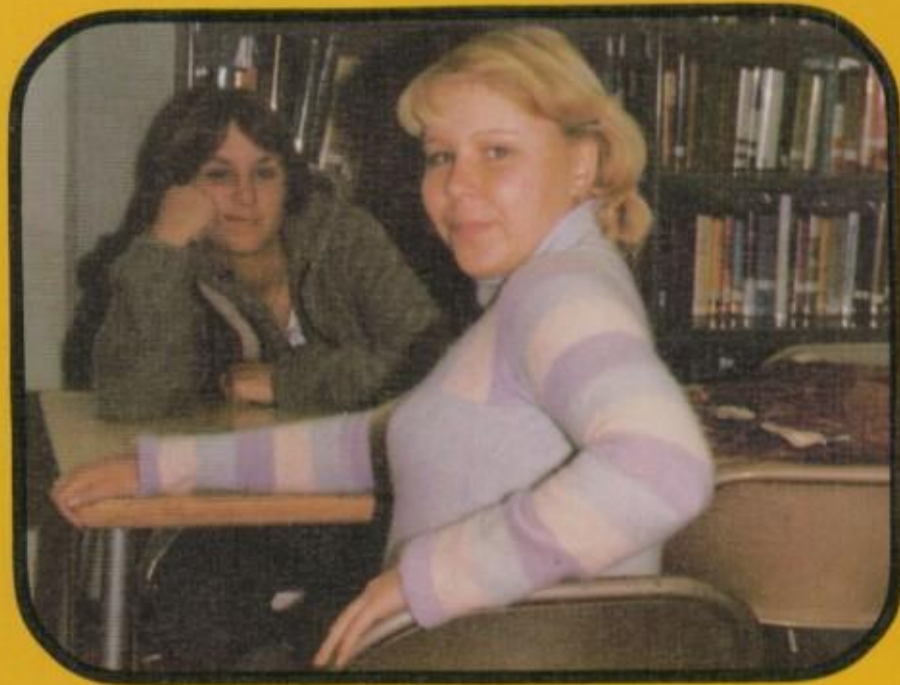

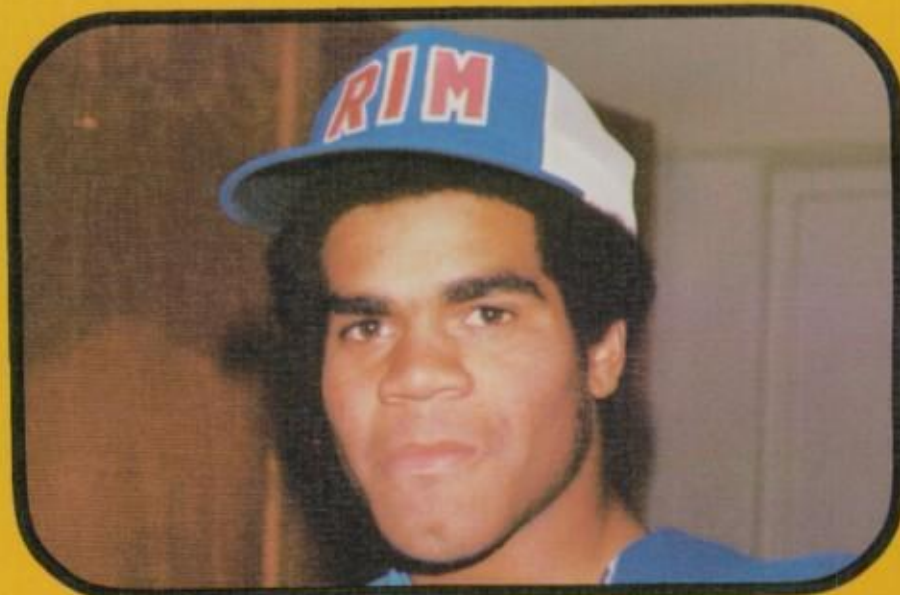

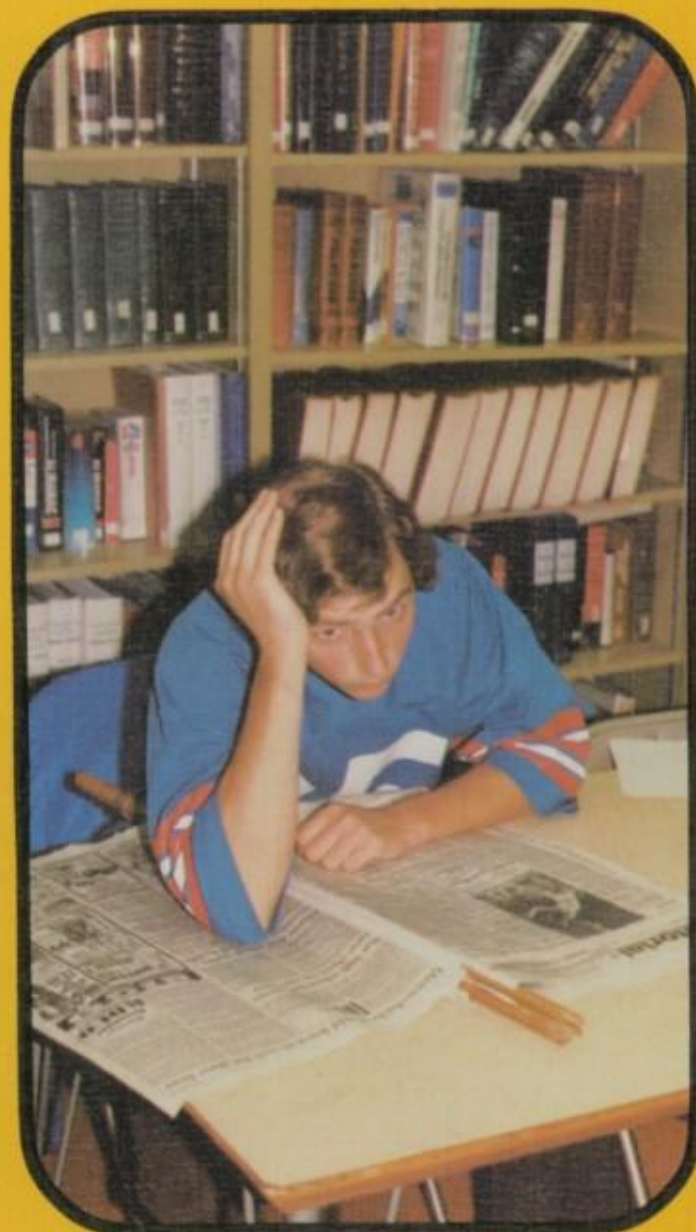

MR. DEMENT IN ACTION

GOOD-BYE
LESTER

How wonderful it is
to think — and feel —
and to have a friend
who thinks and feels
in the same way of the
same things.

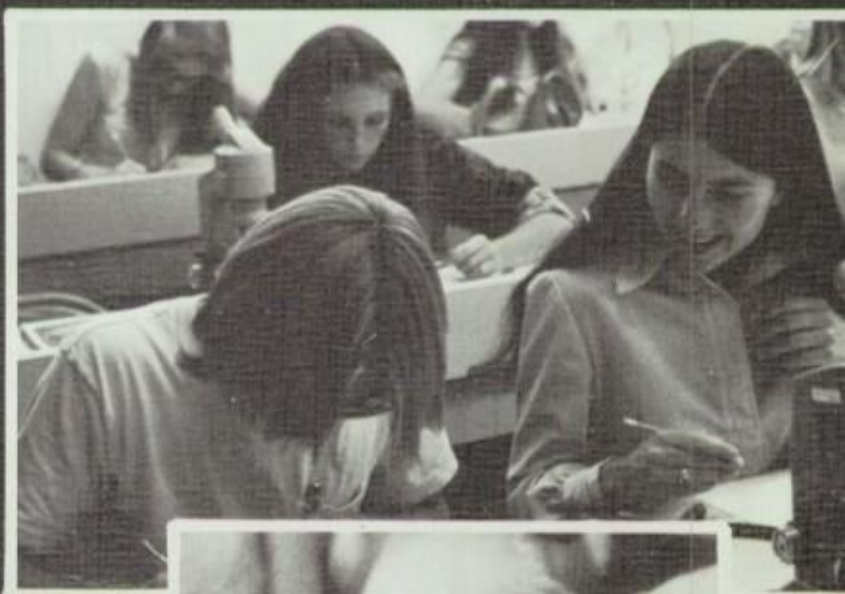

— Kahil Gibran

ACADEMICS

Arts and Crafts

Able teachers in this department are Pam Herlitz, Gerry Vom Steeg, and Barbara Matheson.

DRIVER'S EDUCATION

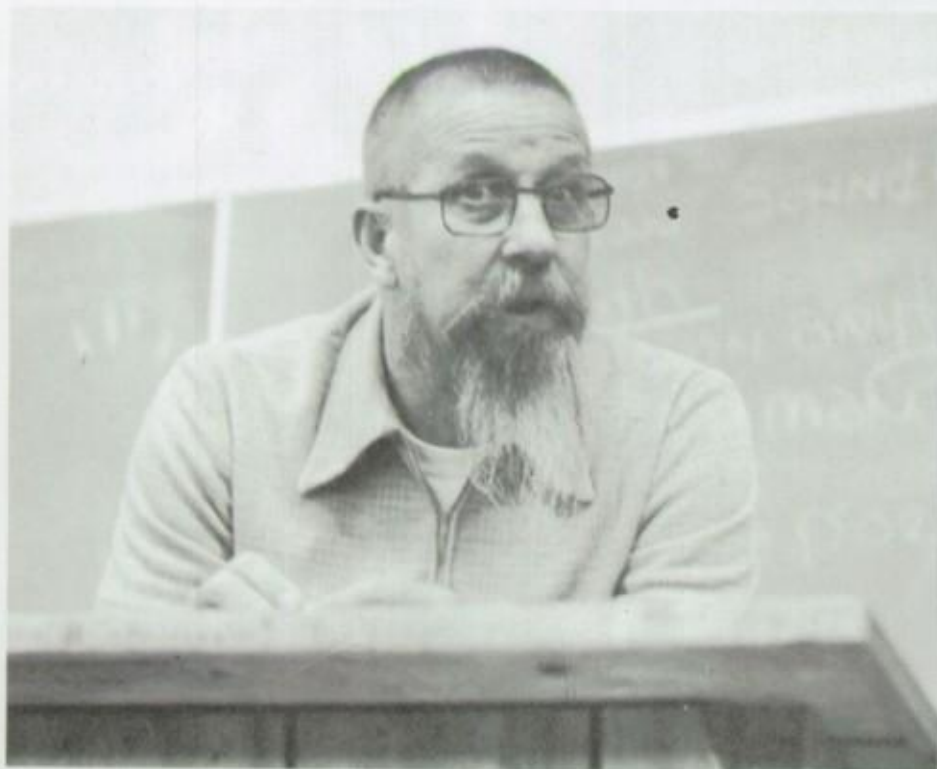

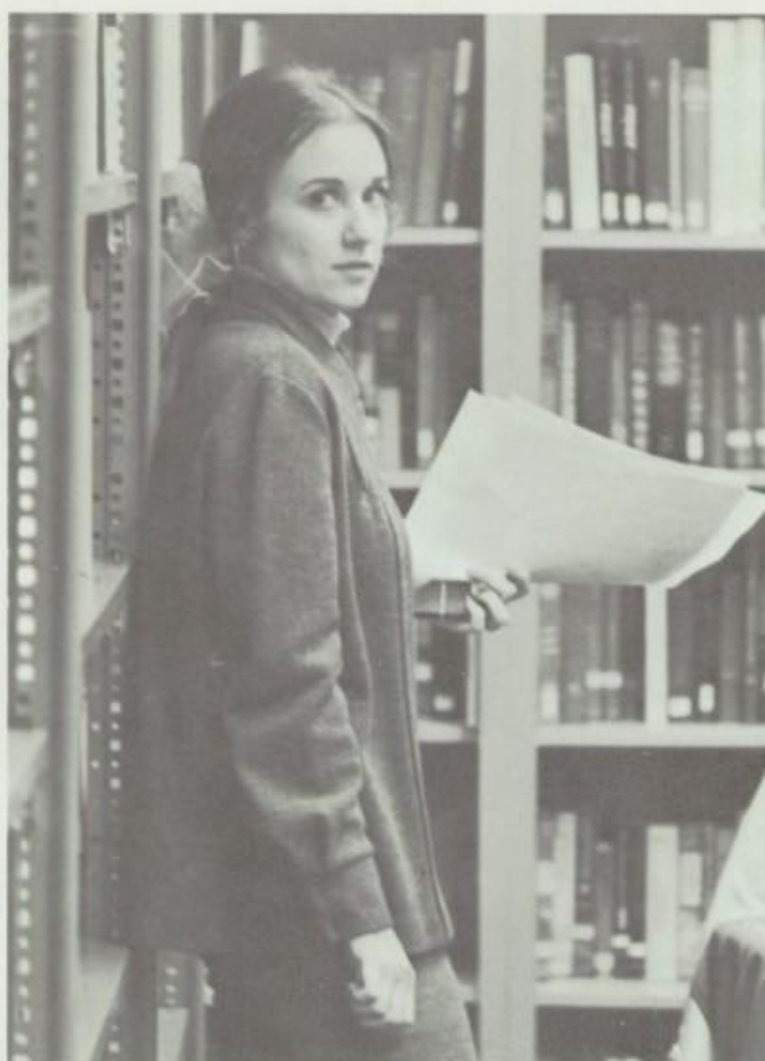

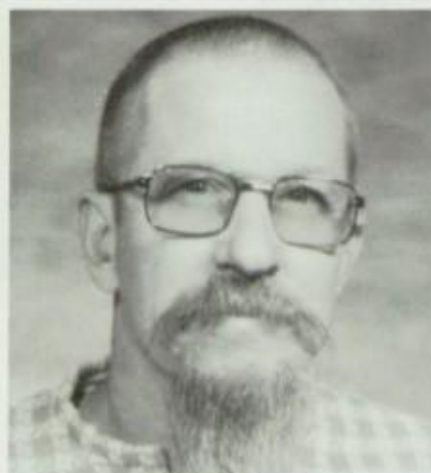

Arthur Chrissinger

Driver's Education Classes are taught by Arthur Chrissinger. Gerry Eynon, Daniel Martinez and Chuck Webb take kids out in the car for their 1 hour driving after school. Mr. Chrissinger and Mr. Martinez take kids out on Saturday for their six-hour behind the wheel driving.

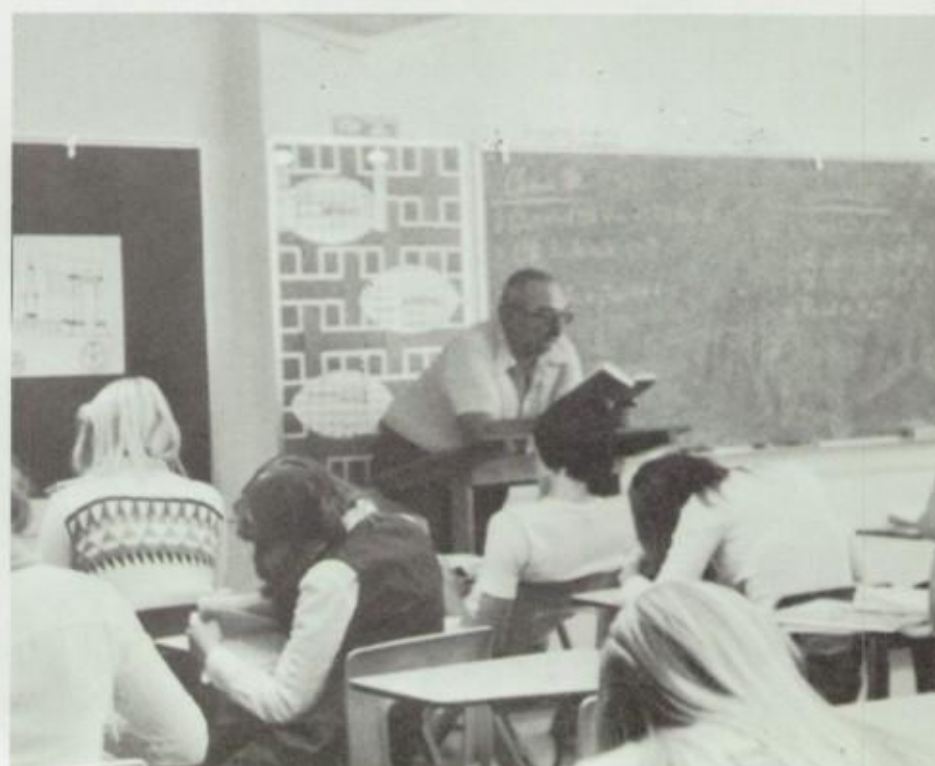

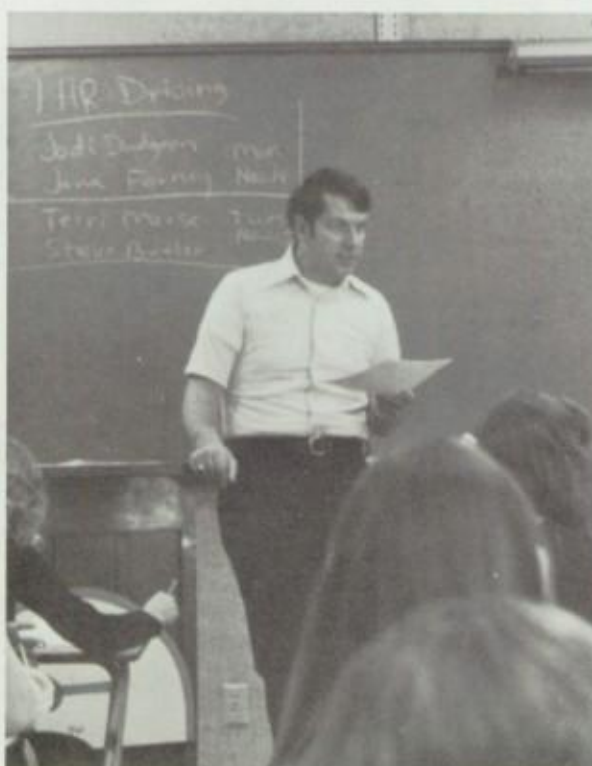

ENGLISH

Everybody loves grammar. Reading is a favorite pastime. Poetry is written as an outlet for deep feelings and creative emotions. Vocabularies are enlarged weekly. Shakespeare and World Lit are enjoyed. Writing improves; students aspire to write well. All are fluent speakers.

Such are the fantasies of poor old English teachers! Those struggling against the trends and for the fantasies are : Chuck Webb, Joan Neumann, Larry Crowley, Gerry Eynon, Tom Meier (our newest English teacher), Bill Dickson, Geneva Woods, Paul Moore and Steve Larimore (our reading specialist). Teachers whose main responsibilities are in other departments but who also help as part-time English teachers are Chuck Lane and Don Rose. Long-term substitute this year has been Mary Ann Hobson.

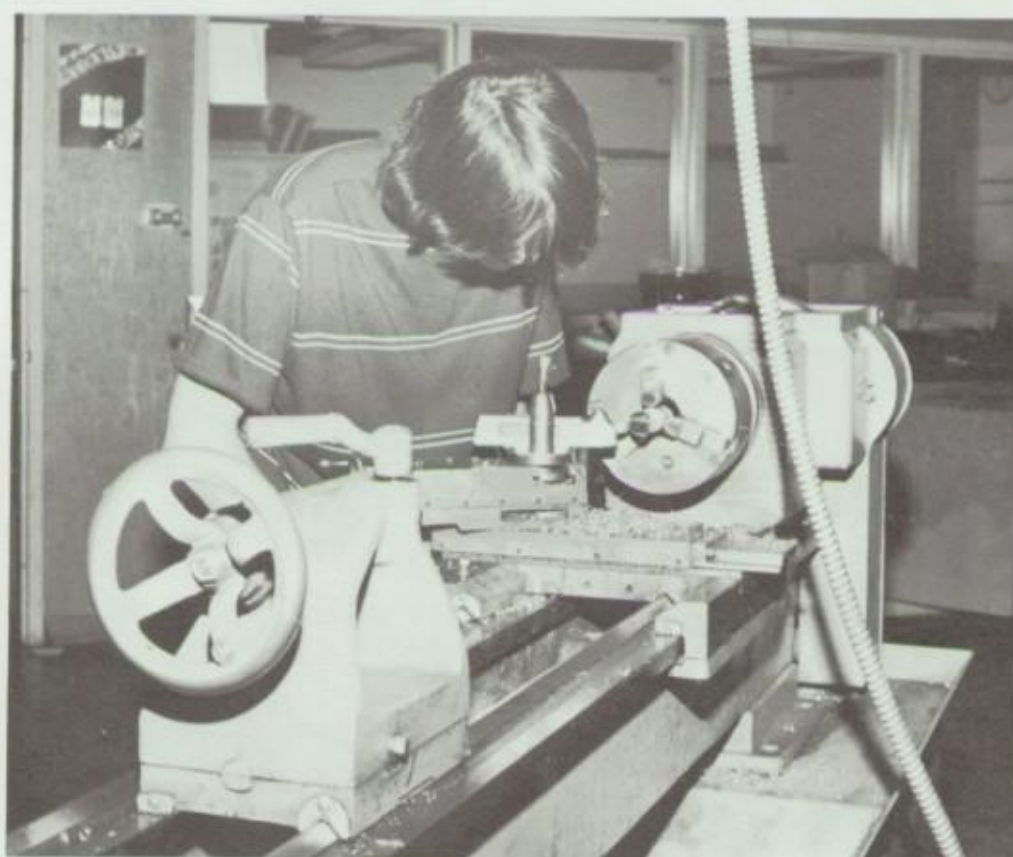

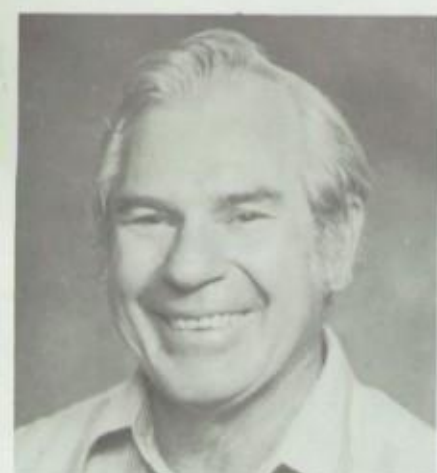

INDUSTRIAL ARTS

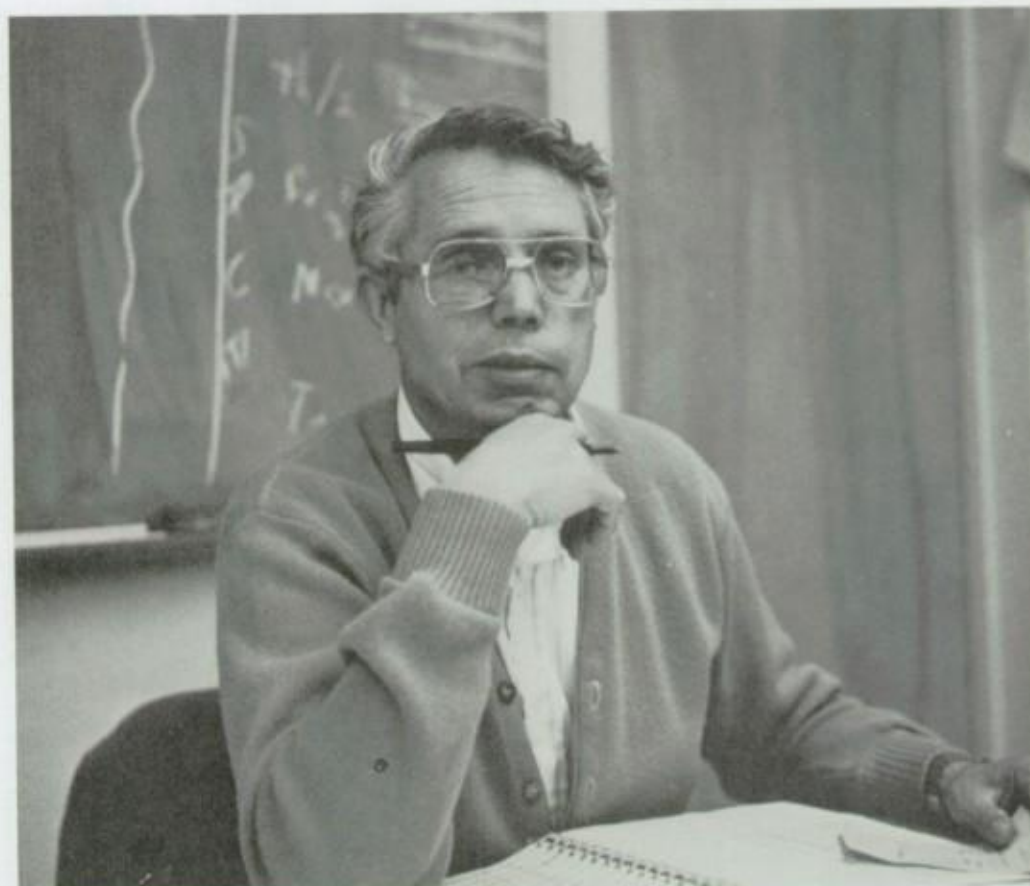

Top: Mr. Ken Brittingham, Drafting, Jewelry; Center: Mr. Don Golding, Electronics. Bottom: Mr. Frank Gradillas, Engines.

Top to bottom: Mr. Jack Kendrick, Metal and Wood Shop; Mr. Alvin Ohnmacht, Wood Shop and Drafting; Mr. George Stehmeier, Construction and Wood Shop; Mrs. Anne Vandenberg, Home Economics.

LANGUAGES

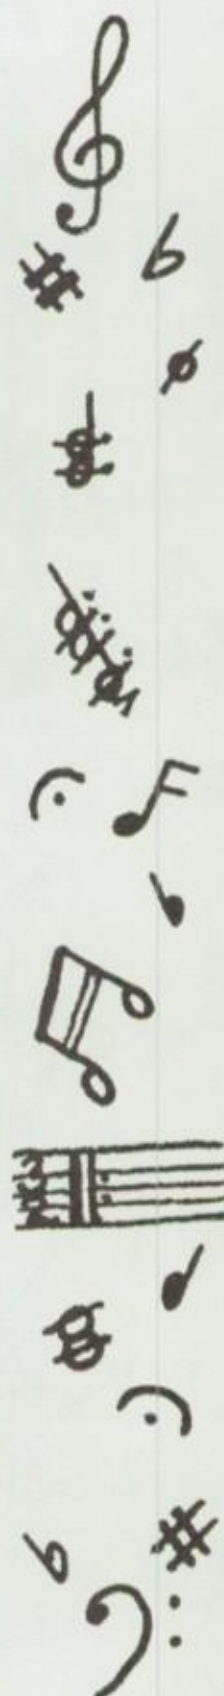

Spanish and German are the 2 foreign languages taught at Rim. This year, Stan Bellamy taught Spanish part time during one session to help distribute load and Walt Werner helped with German. Full-time teachers in the department are Dolores Garcia, Daniel Martinez and Jarle Eldevik.

MUSIC DEPARTMENT

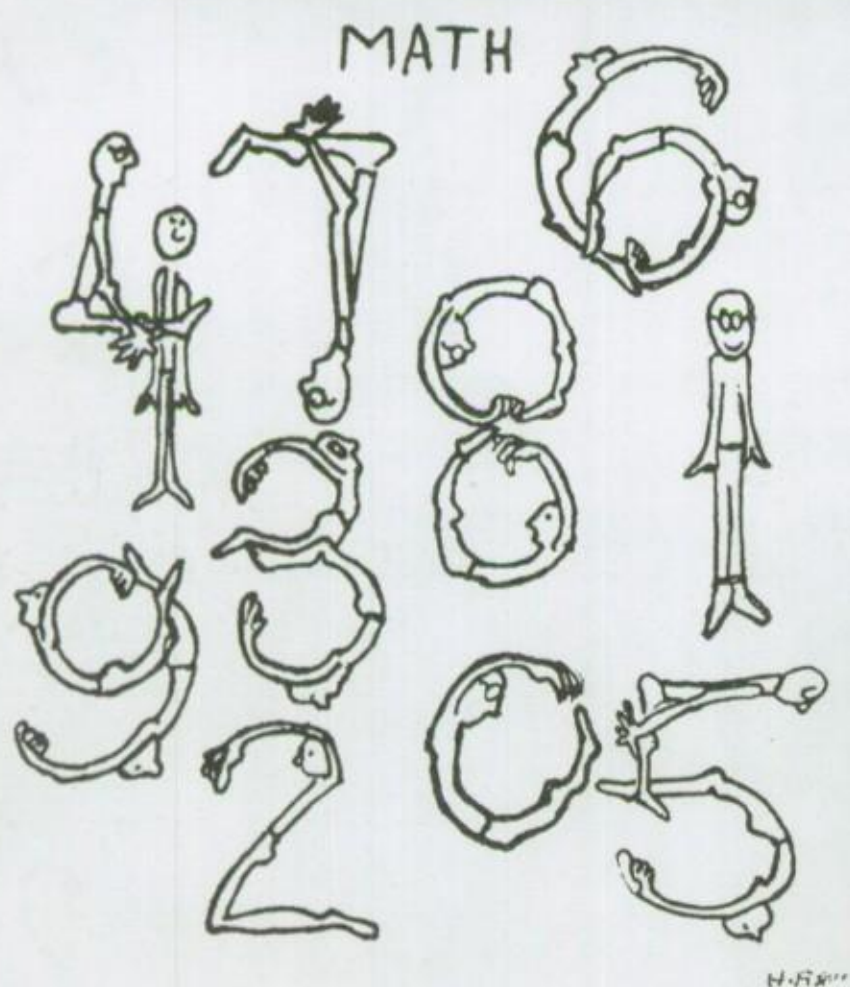

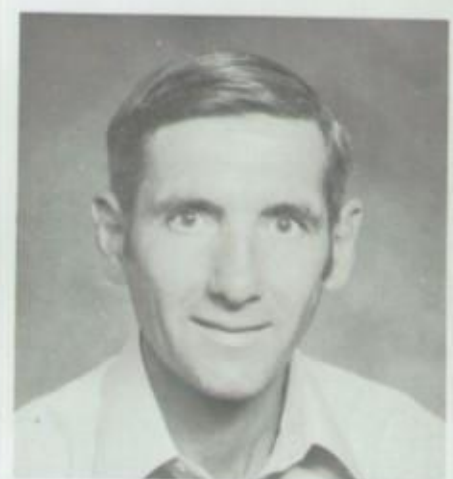

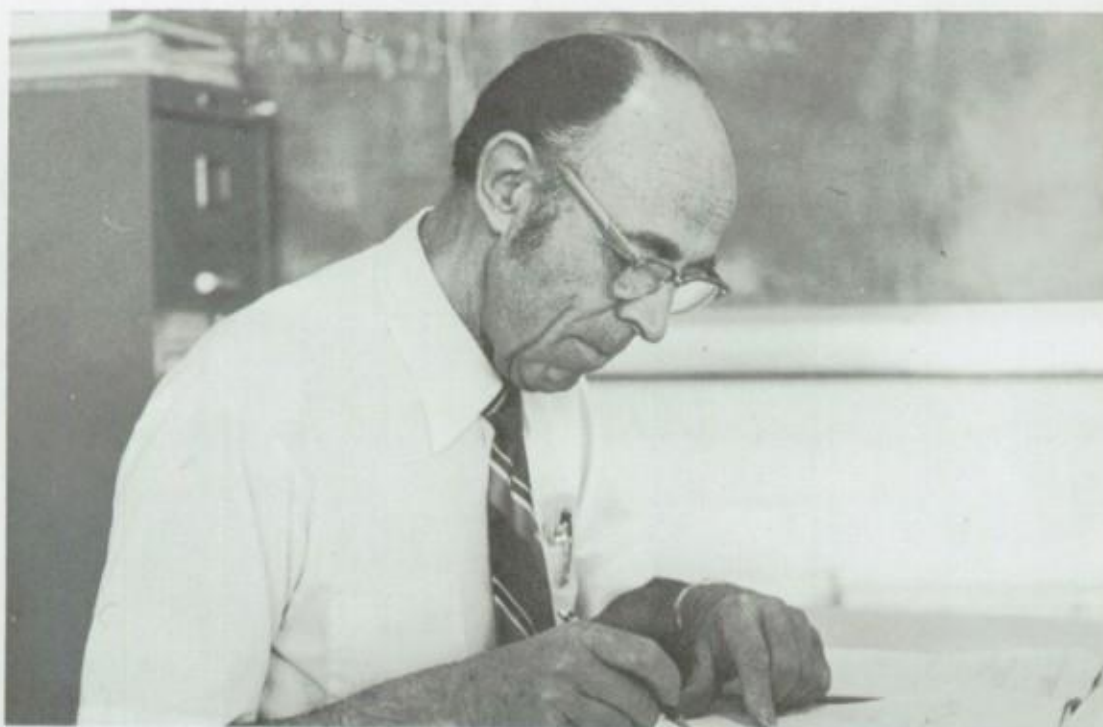

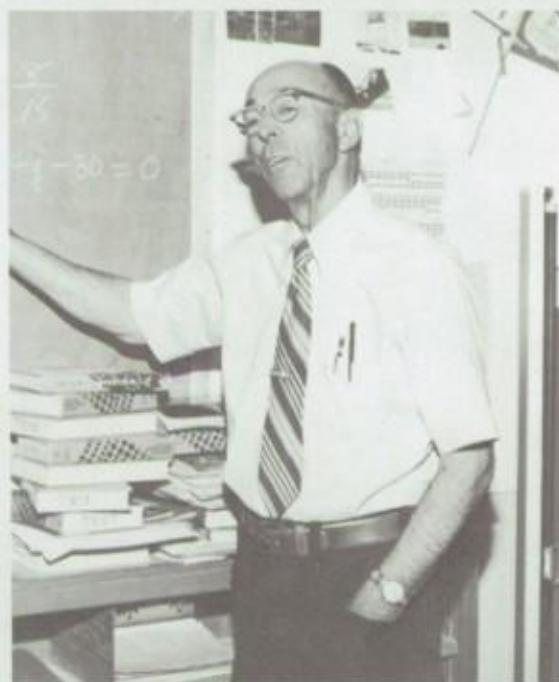

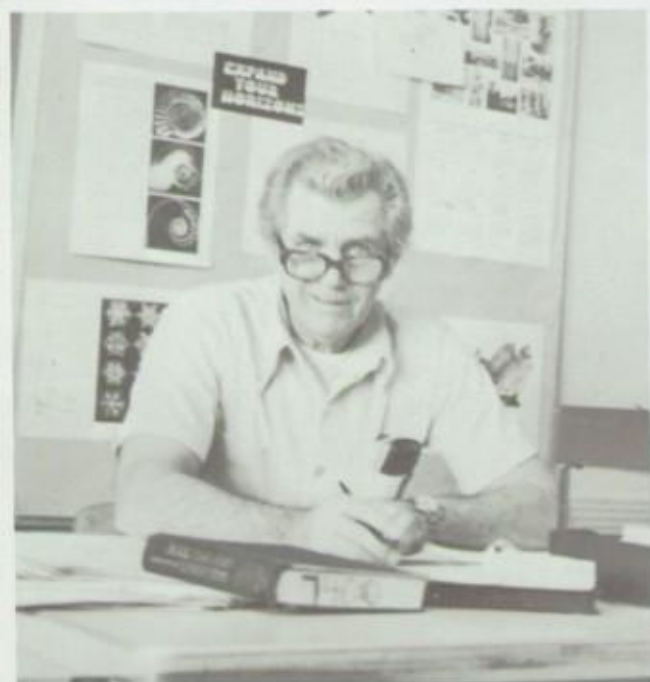

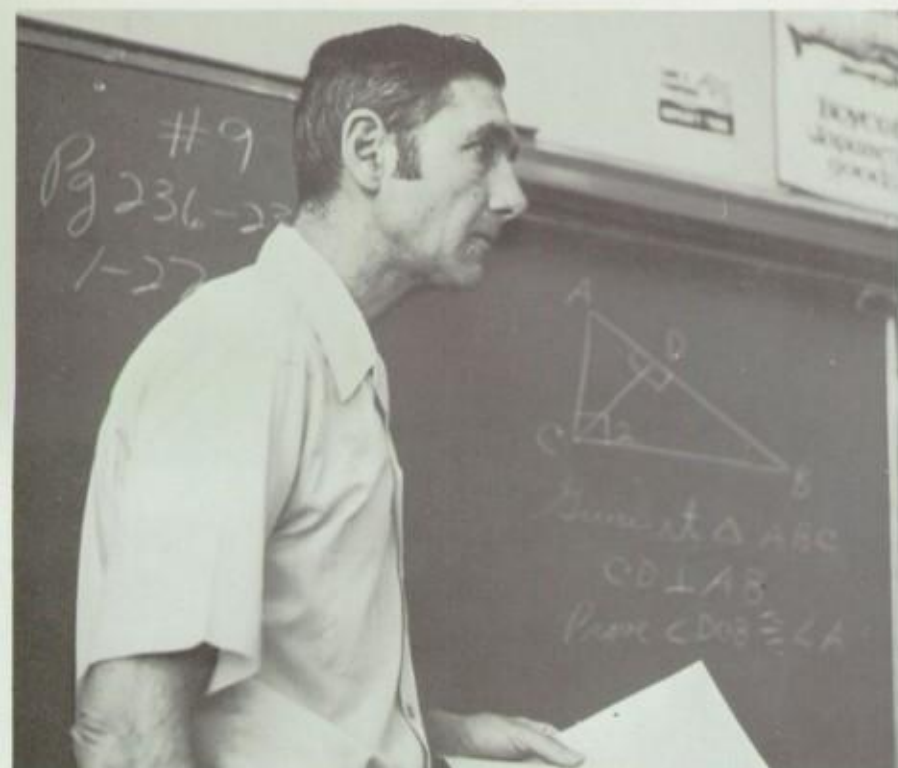

The music department is headed by two excellent directors. Mr. John Key, who is in charge of choir, ensemble, girls' glee and madrigals, and Mr. Jim Gibford who directs the band.

Both are assisted by Mrs. Shirley Parks when they are on vacation. Also, we are proud to have Mrs. Gail Kusler as an outstanding and very patient pianist.

MATH

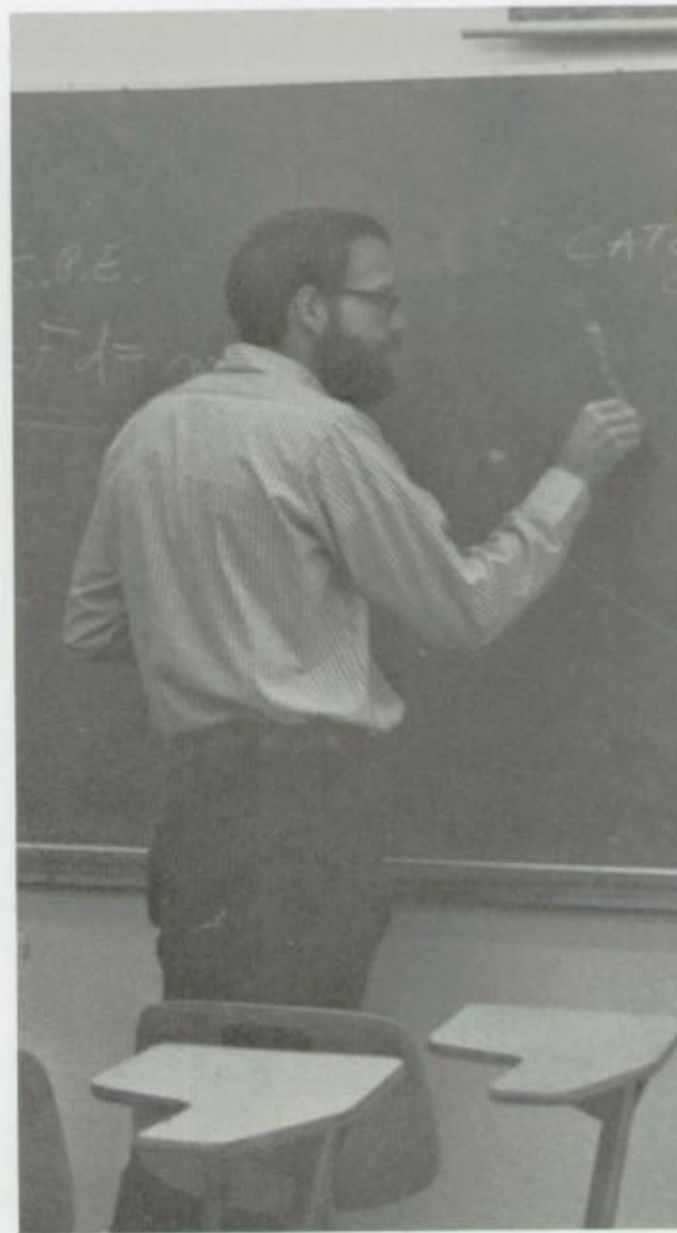

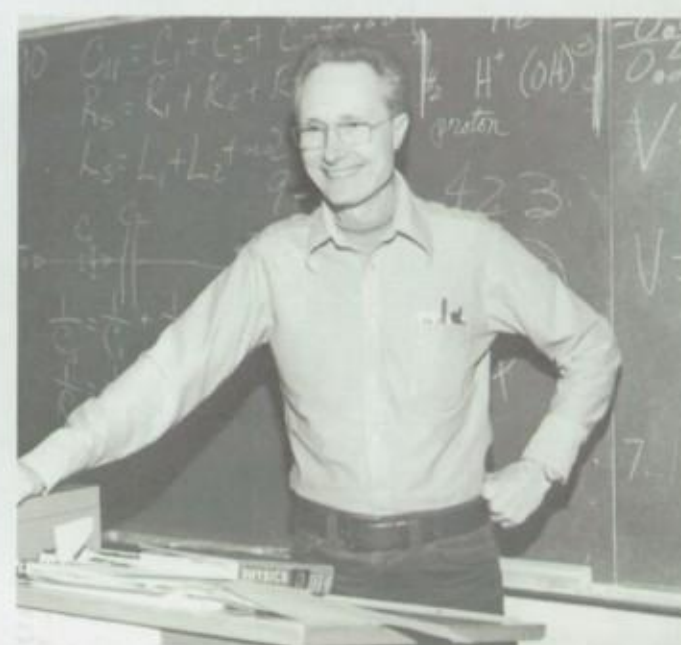

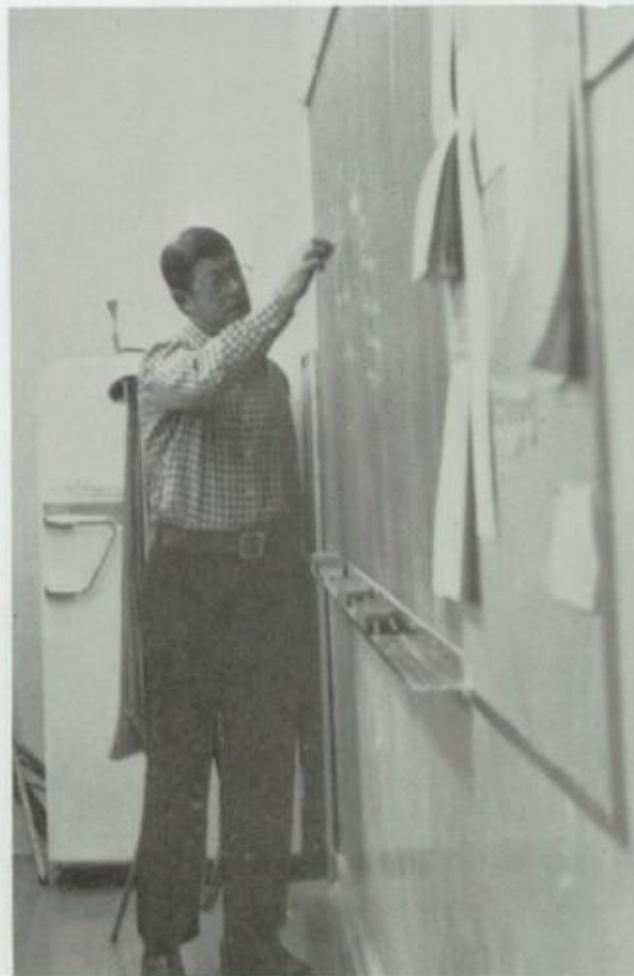

The Math Department this year consists of five outstanding people. Classes range from general math to 5th year math, with Algebra 2, Pre-Calculus and 5th math being graded on a semester basis. Teachers this year are: Mr. Williams (head of the department); Mrs. Nicholas, Mr. Miller, Mr. Lehrack, and Mr. Lossing.

SCIENCE

Science teachers are: Eddie Exline who teaches Biology; Robert Schweighardt who teaches Sci-Tech; and, Bill Lakatos who teaches Chemistry and Physics.

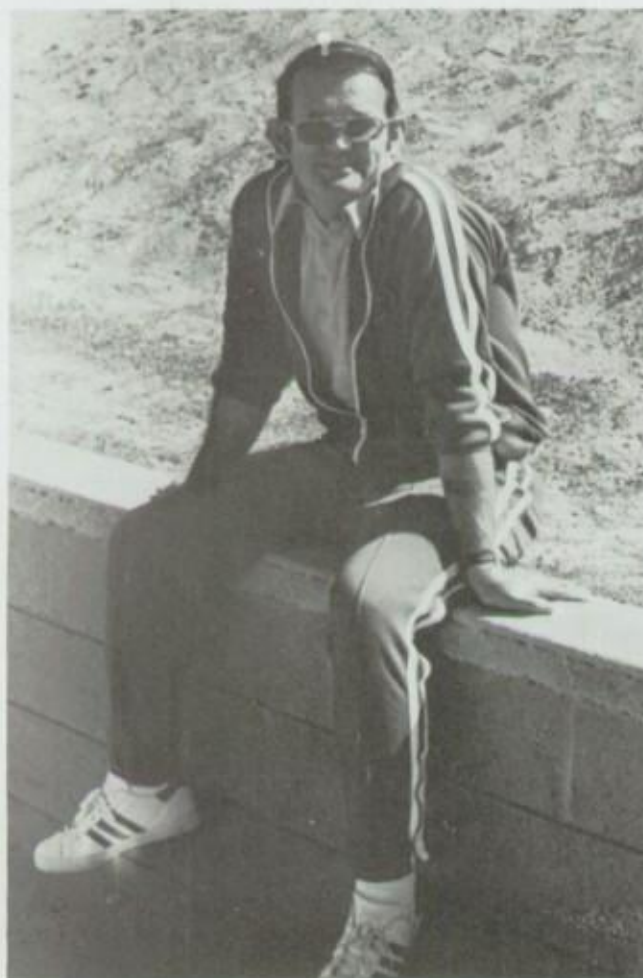

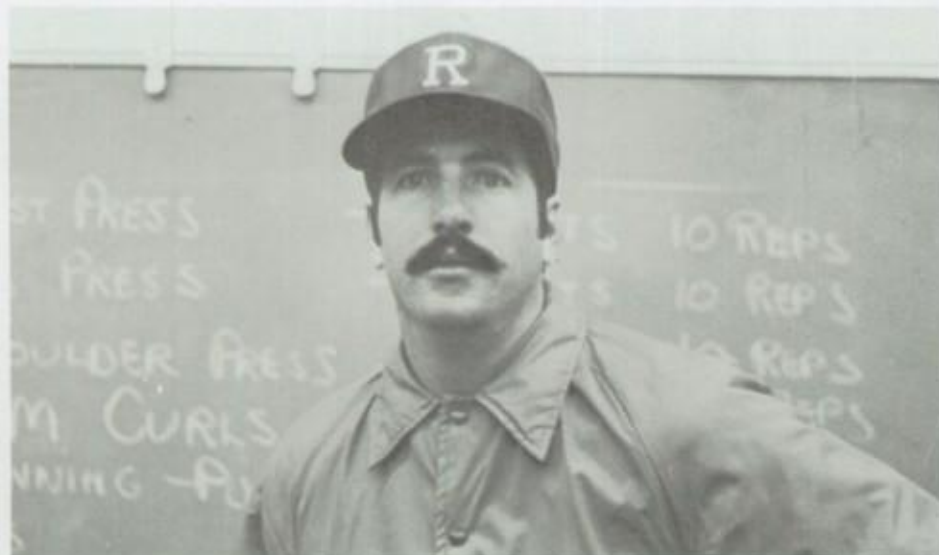

BUSINESS

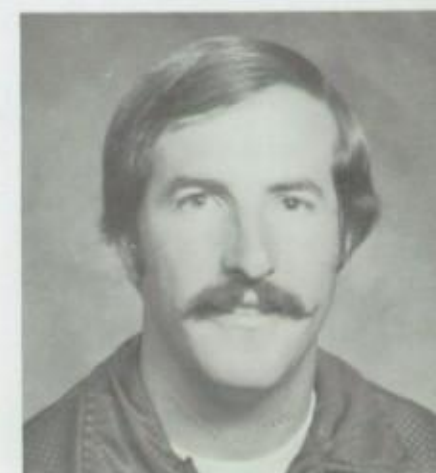

Top: Mr. John Beresford, accounting, B.O.S., typing. Center: Mrs. Helen Diehl, O.O.S., shorthand, live office, typing, business English. Bottom: Mr. John Groom, typing, Business Law, Employment. This year's Adult Aids are Mrs. Jo Chrissinger, Mrs. Diane Miller, Mrs. Wilma Beresford, and Mrs. Mary Donald.

P.E.

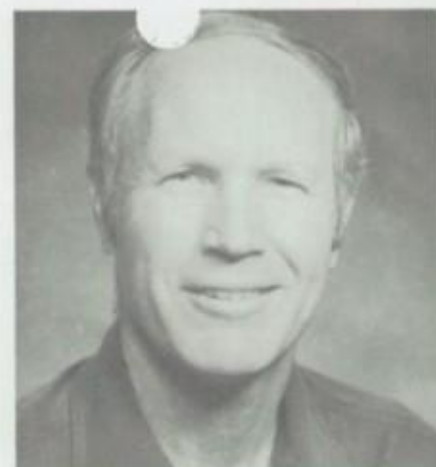

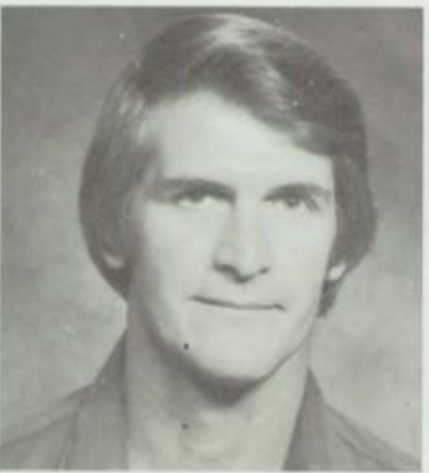

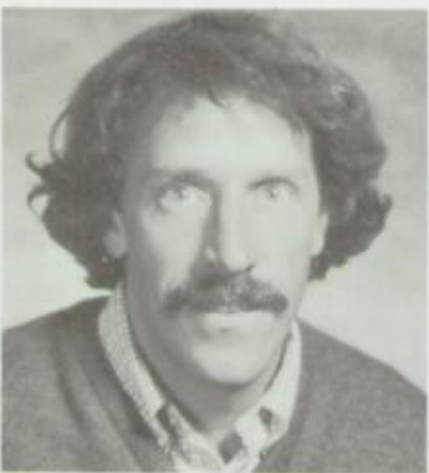

P.E. continued with limited facilities and loaded classes. (Some day there WILL be a second gym.) The first half of the year, there was a long-term substitute in girls' P.E. After Christmas, Sue Rogers was hired as new permanent girls' P.E. teacher. Pictured here: George Thompson, Wendy Frank, Jill Walker, Bill Hunstock and David Ochs.

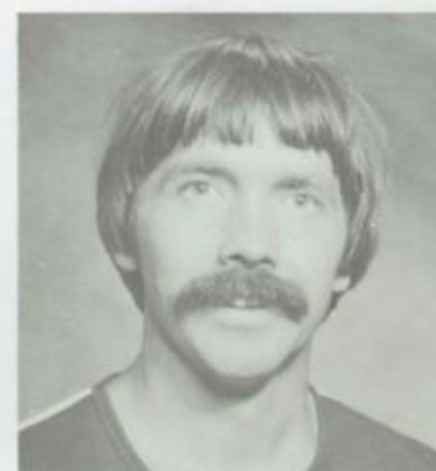

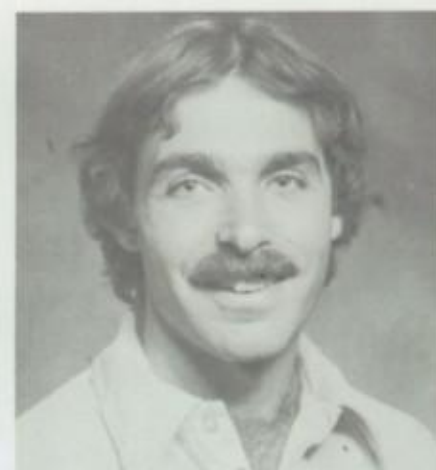

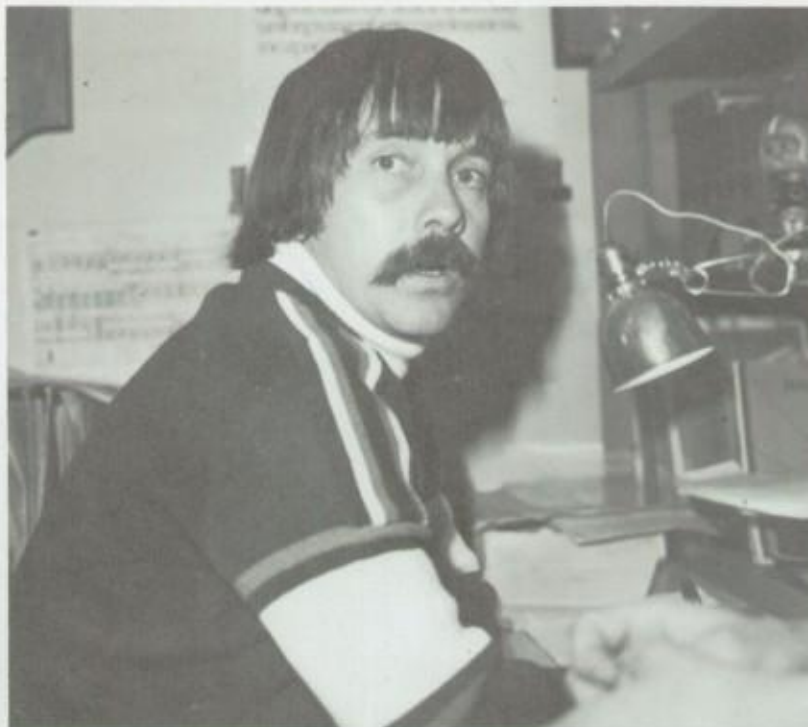

SOCIAL STUDIES

SOCIAL STUDIES TEACHERS ARE: Ann Roy, Calif. History, Geography; Dan Kutch, World Geog., World Cultures, Calif. History, American Lit., General Math. (Mr. Kutch says, "Everything I do is interesting"); Charles Lane, Psychology, Human Behavior (and J.V. Basketball); Don Rose, U.S. History, Calif. History; Charles Tipton, Economics (and weight lifting); Nicholas P. Monsour, III, U.S. History and World Cultures; Marty Nicholas, Asian Studies, Civics, World Cultures (about Asian studies he says, "They learned how to write Chinese."); Earl O'Bar, Geography, Calif. History (and Journalism); Dwight Bush, Civics, World Cultures and International Relations; Kenneth Stephens, Calif. History and Geography; Jarle Eldevik, Economics, James Gibford, World Cultures.

ETC.

Some of our teachers and aides are difficult to departmentalize, but in a changing educational environment they fill very important roles. David Lawrence, new this year at Rim, is head of the Learning Lab. Diane Miller is an aide in the Learning Lab. Bernie Drozd is our aviation science teacher and is also the coach for the ski team and the girls' tennis teams. Lalo Codona is head of our Continuation Education program. Deann Golding works with new students and others who need special projects to catch up with classes or otherwise make adjustments before entering regularly scheduled classes.

BUS DRIVERS AND CUSTODIANS

We are grateful to our custodians and bus drivers for their stable contributions through all kinds of change. A special thanks to Eric Caldwell for his helpfulness, his thoroughness and his unfailing good humor. (He's even able to help us rescue lost pictures from the trash bins!)

CUSTODIANS: *L to R:* Gary Estrada, H.D., Clay Rukes, Ken Sorensen, Chuck Barry, Eric Caldwell. *Not Shown:* Bill Mulder and Jim Farrell.

BUS DRIVERS are: Frank Taylor, Gerald Beatty, Tom Bell, Art Diehl, Jim Greive, Mike Orr, Melvin Millette, Don Gregson, Bill Drouyor, Ken Wrage, Rusty Christiansen, Dick Fratus, Paul Arrain, Jack Dewey, Will Teachenor, and John Koeper.

SECRETARIAL STAFF

Our *secretarial staff* at Rim High is one of our most outstanding assets in running a smooth school system. For instance, we have Shirley Hunstock as designated counseling secretary. She works with the student cards from the computers to keep year-round school running efficiently. Peggy Krause, attendance secretary, keeps records of every student for the State; she also takes care of the attendance cards. Earline Rose, records clerk, takes care of files with all the problems related to new students coming in and outgoing students who transfer to other schools or leave for college. Sue Hardt, ASB Office clerk, runs the student store, handles club finances and is also secretary to the activities director. Barbara Featherstone is part-time secretary to the Dean of Students, part-time attendance clerk, and part-time textbooks clerk. To each one of these secretaries we owe great thanks.

SUPPORTIVE PERSONNEL

Supportive Personnel are pictured on this page. They include, Top Left: Mrs. JoAnn Poe, "The Nark Lady." She's always roaming the halls if you ever need her. Top Right: Lee Vandenberg, Work Experience Coordinator; if you need a job or work experience papers, he's the one to go see. Middle Left: is our library clerk, Ernie Belmont; Ernie's just a nickname. Middle Right: is our librarian, Valerie Lichtman, who ardently wishes for a new library and looks longingly toward the changes possible in that new building. Bottom Left: is Mary Armstrong, our nurse, who works swiftly and efficiently all through the year to heal our wounds, cure our headaches, stifle our sniffles, keep us healthy optimistic and protected.

COUNSELING

LaVelle Cochran, Lester DeMent and Robert Gayle are *class counselors*; Walter Werner is *vocational counselor*. This Rim High Counseling Staff did an outstanding job this year and we are grateful to them! Can you grasp the idea of scheduling students every six weeks? Can you comprehend the number of new students in a growing school who must be interviewed, counseled and scheduled? Can you imagine the number of problems which seniors have in deciding on careers, colleges, job opportunities? Most of us are unaware of all the hours our counselors spend — counting up our units, steering us into courses we need, and trying to help us make decisions which we will not regret. Year-round school has vastly increased the counseling load and we are indebted to these people who keep their cool and make a solid contribution to us and our future.

ADMINISTRATION

We at Rim High School express our appreciation to the *administrators* and the *administrative staff*. Change reverberated through this area too this year and we salute those who rolled with the punches, presided efficiently at the helm and helped stabilize the total school situation: Joe Matthews, Dean of Students and Athletic Director; Chet Heisler, Principal; Janet Nellans, Principal's Secretary; Barbara Marcum, Assistant Principal; Peggy Smith, Asst, Principal's secretary.

-HARVEST-

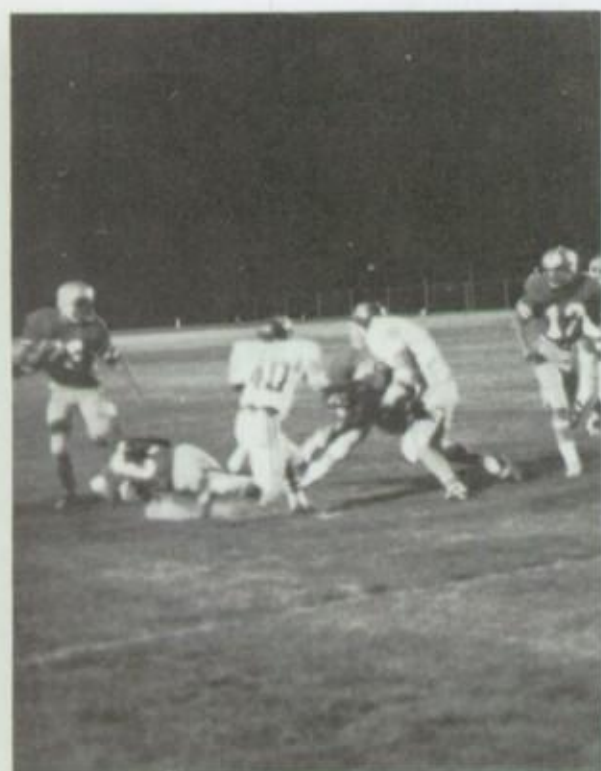

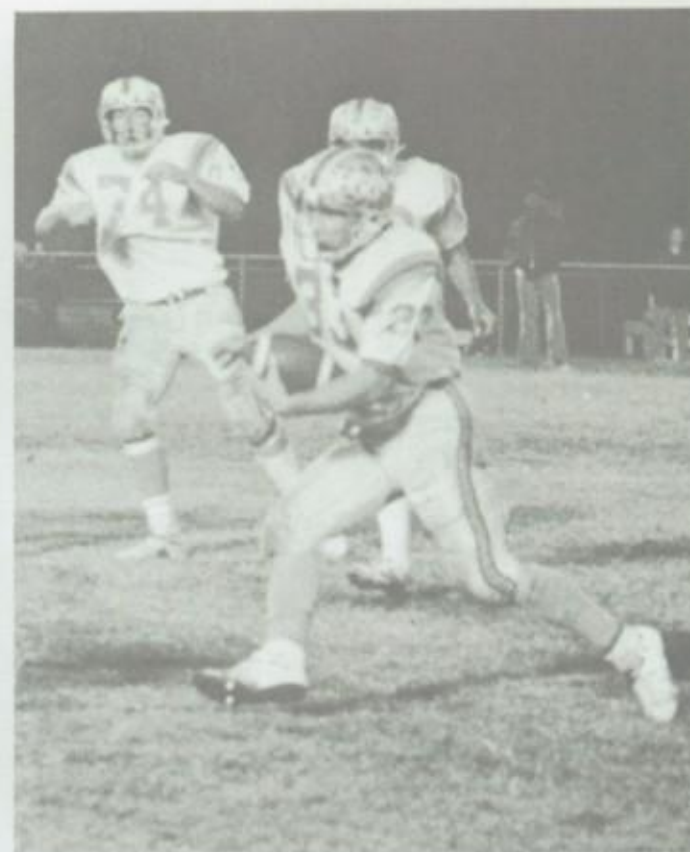

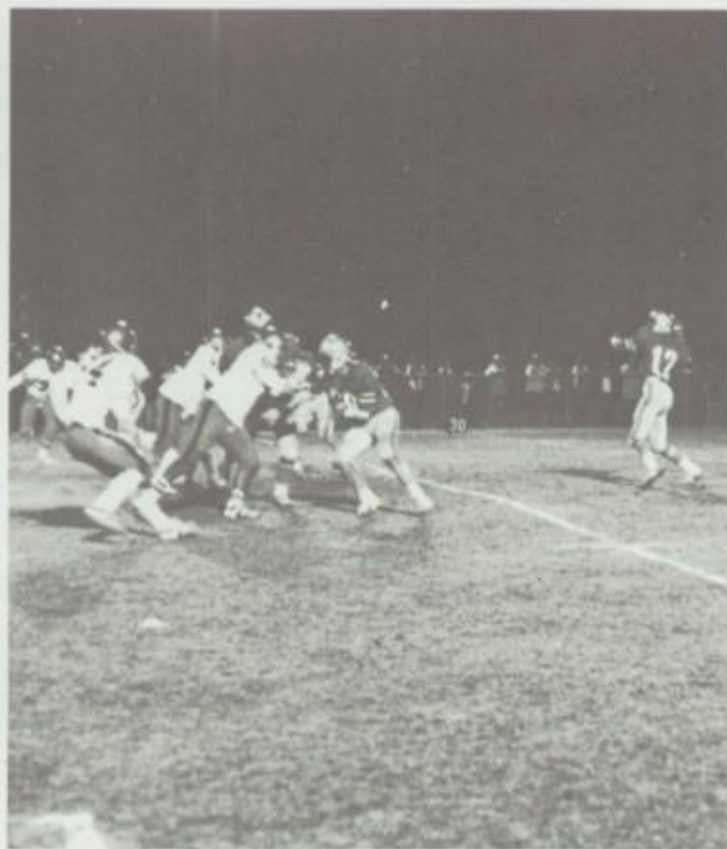

Although Rim had a new head football coach for the first time this decade, it was business as usual on the Scots gridiron. Coach Frank Gradillas led the Scots to a second straight co-championship in league play. The Scots powerful offense ground out an average of 26 points per game. Six linemen were chosen on the ALL-SUNKIST League Team along with three backs; Greg Ward was chosen Player of the Year.

Three-time All-CIF Ward broke all school rushing records with 1746 yards and 171 points, tops in all the CIF in both categories. Ward's three-year varsity rushing total comes to 4283 — 6th all time in CIF history. The Scots also boast a two year record of 19-4.

T. G.I.F.

This year's volleyball team totally dominated the new league by winning 11 matches and suffering only 1 loss, to become the first *Sunkist League* champions. All season long, opponents were overwhelmed by awesome setting by Alicia Thompson and powerful hitting by Lisa Furness, Nancy Seybold, Heidi Herbst, and Linda Tipton (*team captain*) — all of whom made All League First Team. Honorable mention went to hitter Terri Velarde. Contributing with good hitting and serving was Melinda Sims and scrambling on back-row defense were Renee Martinez and Jackie Dickson (*team captain*). Other team members who helped out with setting, passing and hitting were Stacia Blankenship, Karen Hansen, Dana Snider, and Chris Thompson. Manager Marlene Heisey also played an important role in the championship by helping out with tape, water, stats, and scorekeeping. This was the first *Rim High Volleyball* team to make it to quarter-finals.

CROSS COUNTRY

Front Row: Lawrence Stehmeier, Jim Kington, Jamie Belmont, Jim Miller, Mark Blankenship, Mark Cavassa, Ed Hendershaw. *Back Row:* Coach Paul Moore, Todd Hubbard, John Dotter, Chris Hans, Dave Pearson, Pat O'Bar, Brian Nelson, Steve Pearson.

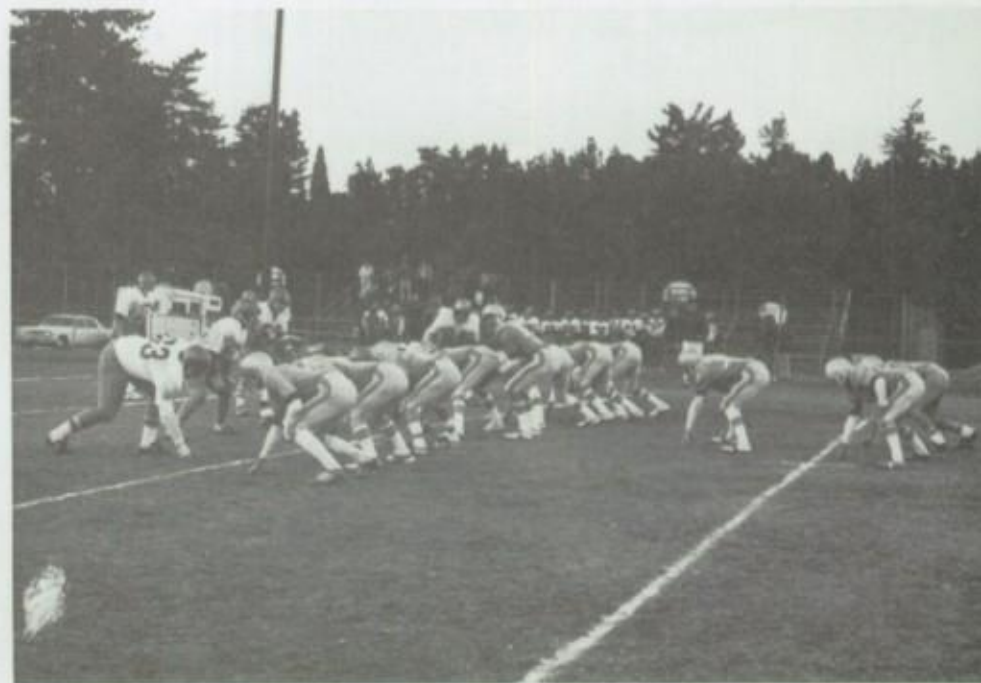

Led by returning coach Paul Moore, the *Cross Country* team adjusted quickly to the league change and placed second overall in league meets. Then, for the seventh time in a row, the Rim Cross Country team went to CIF and finished sixth out of ten with the first five places going on in CIF.

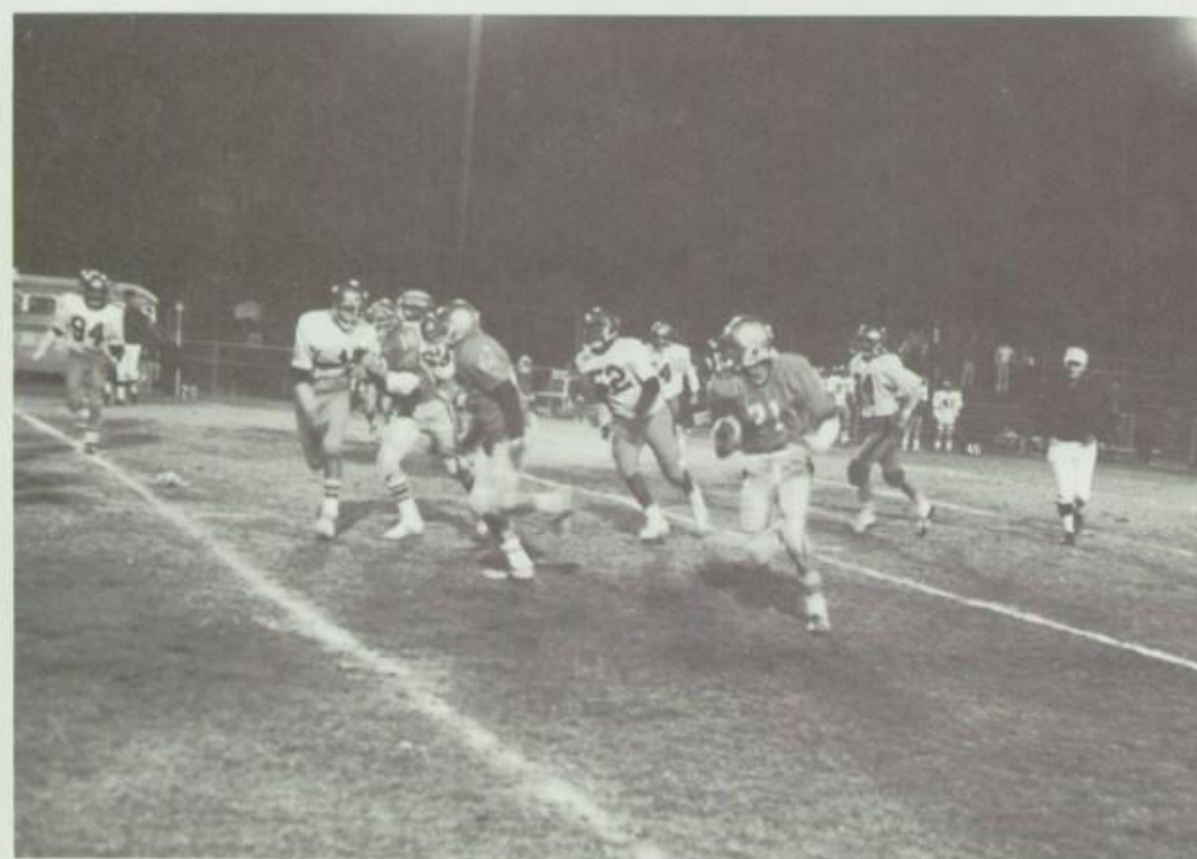

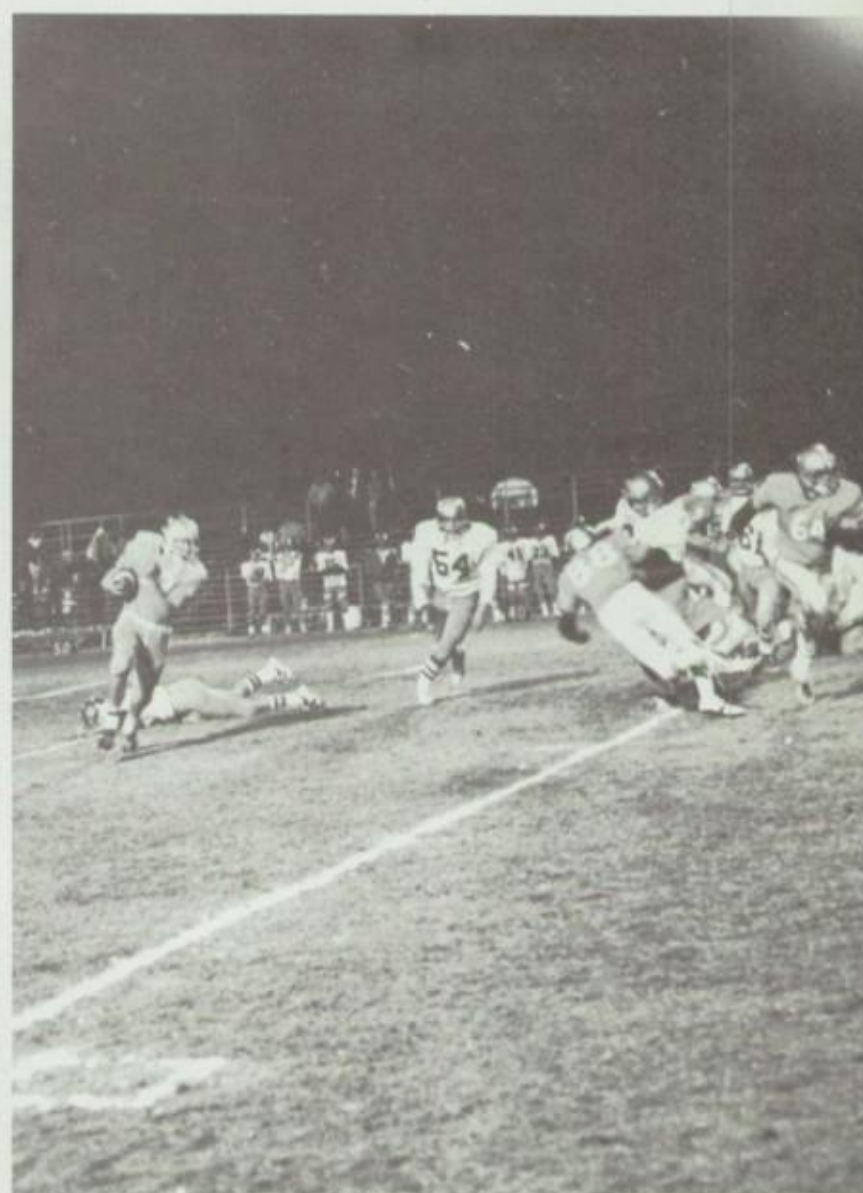

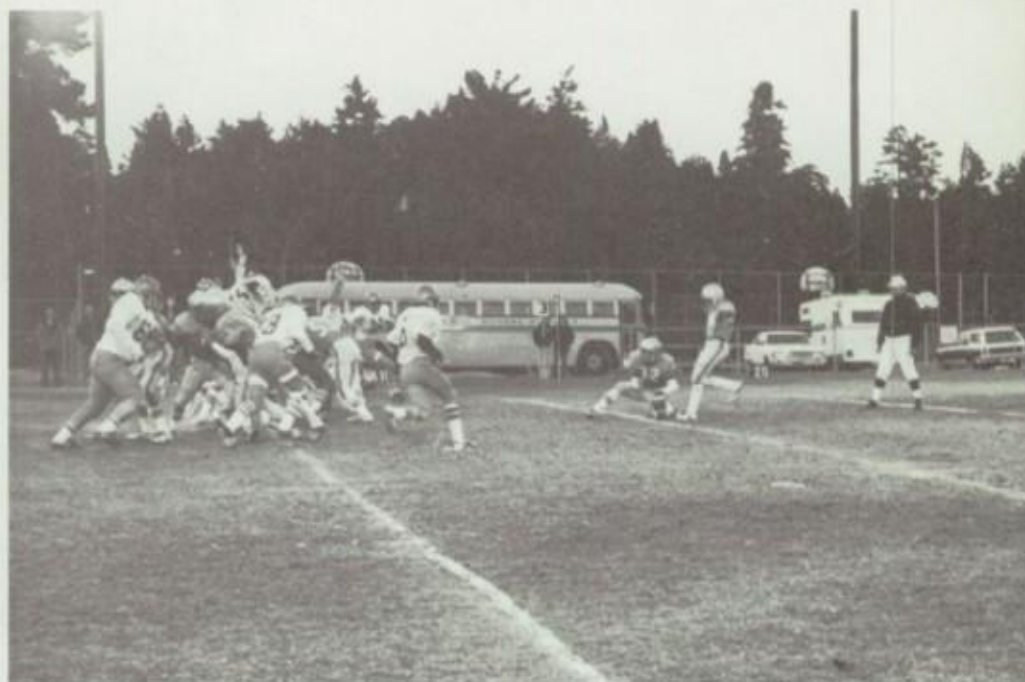

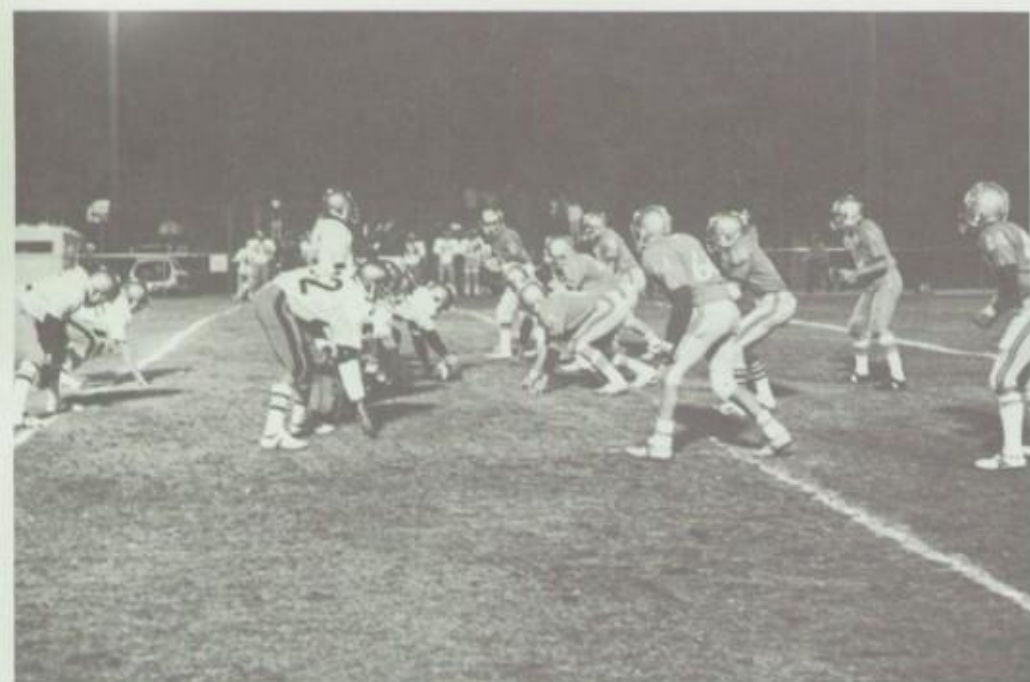

With 7 graduating seniors, next years team still will have 6 returning varsity lettermen. Good luck in the future.

J.V. Football

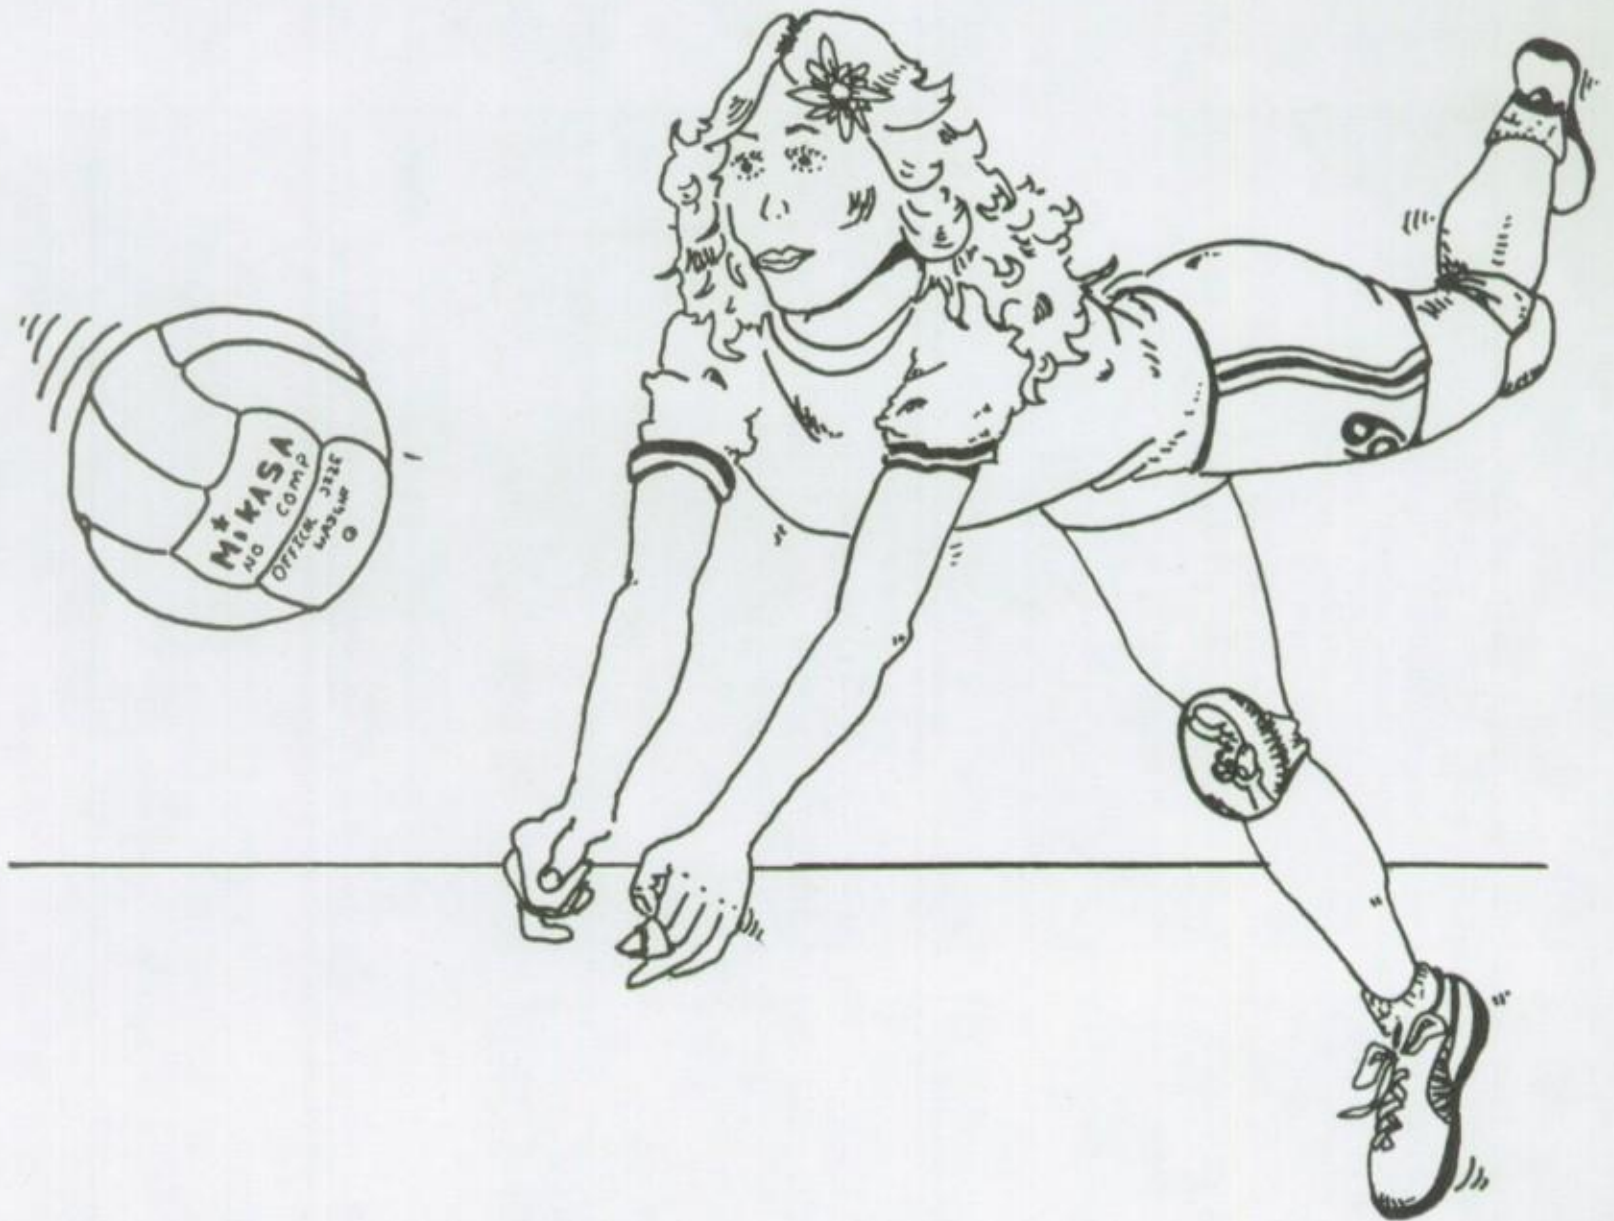

The 1977 Rim JV football team only missed a championship by one point. Losing to the Banning Broncos 14-13 sent the Jr. Scots into 2nd place, giving them the best JV finish since the Scots took the 1971 DeAnza League championship. Congratulations to Coach Stephens, Mueller and Miller for doing so much with this young talent.

Girls' Tennis had a very successful season by placing #1 in Sunkist League with a perfect record of 12-0. They moved into the first round of CIF and shut out Mammoth 18-0. Second round play against Bellflower resulted in a close loss of 8-10 from Rim.

The closeness shared between coach and players brought more to the team than just the #1 title. Love and respect for each other gave the team a deeper satisfaction than any materialistic rewards.

VARSITY BASKETBALL

The Rim Cagers, led by Coach Fred Miller, went through a trying season. With only three returning lettermen and a new coach, we had our goals set. By the time league started we had three seniors — Robert Burbach, Jos Bosch, and Rick LaSuer — one junior, Scott Speidel, and one sophomore, Skip Dyer, filling the five starting positions. Giving support to this team were one senior, two juniors, two sophomores, and one freshman.

Receiving awards at the end of the season were: Chris Graham, Best Free Throw Percentage; Greg Dudgeon, Coach's Award; Rick LaSuer, Best Defensive Player; Jos Bosch, Most Improved; and, Robert Burbach, M.V.P.

In addition, the Sunkist League recognized Robert Burbach, 2nd team all-league, Rick LaSuer and Scott Speidel, honorable mention.

Our Varsity Wrestling team repeated as league champs for the 3rd consecutive year and finished the dual meet season with 8 wins and 8 losses. One of the highlights of this season was winning the 16 team Ruben d'Amico Tournament, the first time Rim ever won a large schools tournament. All 12 varsity entries placed in the 1978 Sunkist League finals. Our league champions were: Mike Redick, Rod Hendry, Casey Mahoney, Chris Brule, Terry Todd, and Larry Pickett.

FROSH — SOPH

The J.V. Basketball Captain was Bob Oaks, Co-Captain was Jeff Burbach. M.V.P. was Bob Oaks; Best Defensive player was Steve Hewey; Coaches Choice was Mark Howard; Most Improved was Dave Giebrich; Most Aggressive was Bob Oaks. This year's ('77-'78) J.V. Basketball team had a satisfactory season . . . that is to say that we won a few and lost a few. It was a long, arduous season full of closed roads, closed gyms, Christmas tourneys, baseball camps, "T's", cancelled practices, missed games and a baby . . . and it all culminated with a batch of fleas. I do feel good about it though, because the players simply "out-classed" every opponent they competed against throughout the season. They outclassed every school in the Sunkist League by having a better attitude, by showing good sportsmanship, by knowing the game, and by the mutual respect among themselves and for their coach.

J.V. BASKETBALL: L to R: Ray Ruppel, Bob Oaks, Jeff Grotewald, Mark Neff, Jeff Burbach, Steve Hewey, Steve Jacobs, Dave Giebrich, Marc Howard, Mike Mellinger, Eddie King, Jamie Joyce, Mike Snow, Kenny Carpenter, Coach Chuch Lane. Not pictured: Dave Callahan, Don Wallgate.

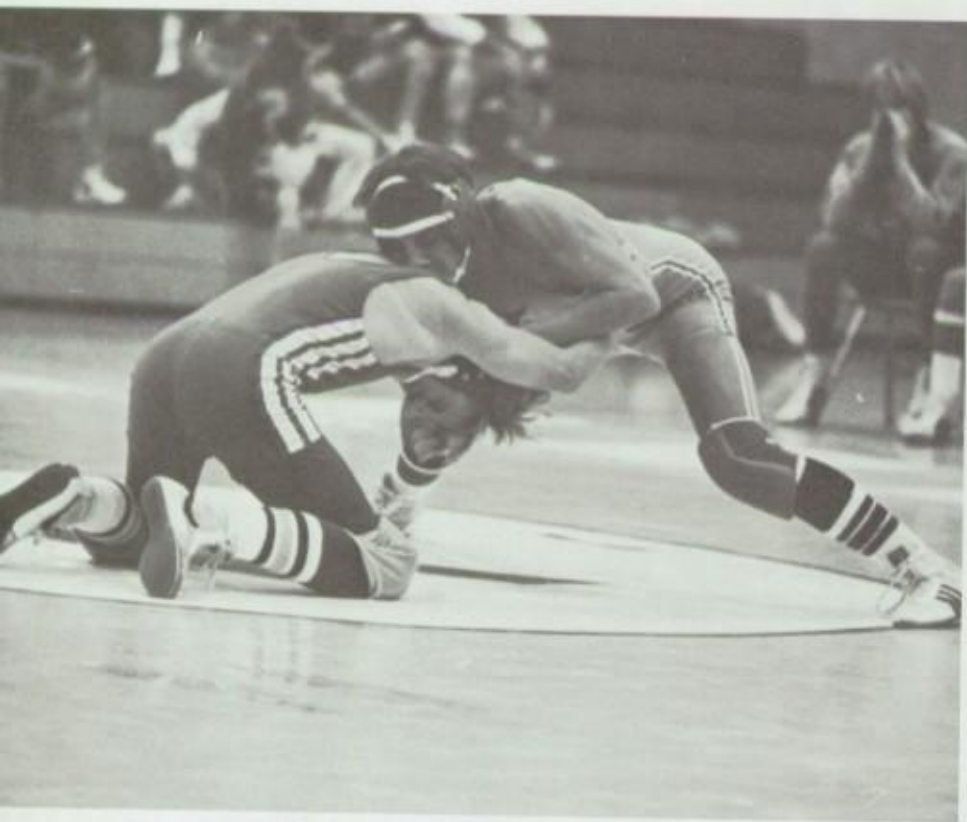

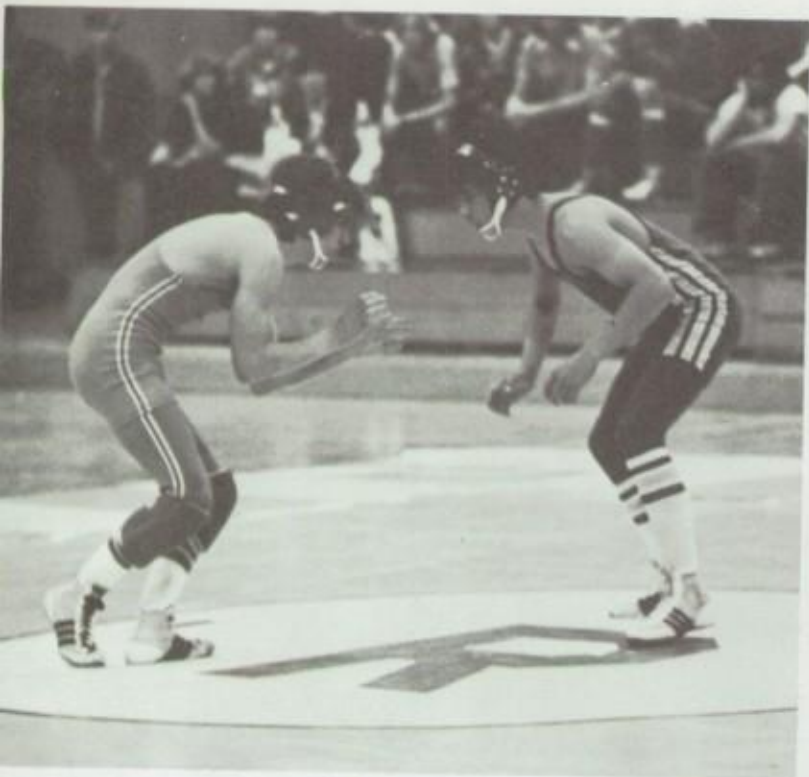

TEAM MEMBERS INCLUDE: Andy Lujan, Bruce Burr, Kenny Sharton, Steve Grant, Steve Miller, Mike Dolinsky, Lance Fawcett, Kirk King, Wilbur Meddles, Casey Mahoney, Shane Kump, John Noble, Frank Taylor, Brian Lynch, etc. (Mike Lubisich found it more important to sleep in than to locate names.)

FROSH-SOPH WRESTLING

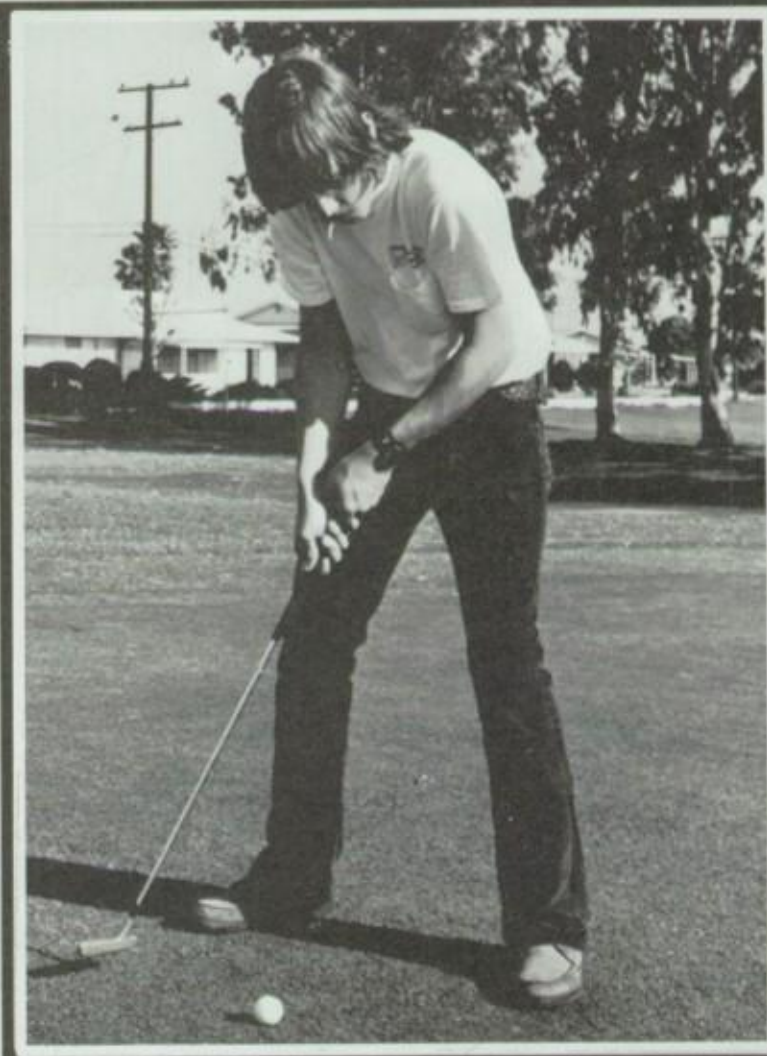

Our J.V. team did not repeat as league champs this year but finished the dual meet season with 3 wins and 5 losses. Fine performances were turned in by John Noble, Frank Taylor, Andy Lujan, Brian Lynch, Steve Grant, and Casey Mahoney at the Elsinore J.V. Tournament. We are hoping for a lot out of these wrestlers on next year's varsity squad.

VARSITY

The track season got off to a slow start because of all the rain. The first couple of weeks were spent doing calisthenics in the wrestling tunnel and running in the halls. However, things began to fall into place at the first meet, especially for the girls' and the boys' frosh-soph.

At press time, the team had already broken five school records in two meets.

The girls are especially strong and should be the class of the league. The boys are a young, inexperienced team, but should do well.

TRACK COACHES: L to R: Della Smith, Mark Center, Head Coach Paul Moore, Rip Stephens.

Front Row, L to R: Joe Lewis, Chip Eck, Conrad Conrad, John Dotter, Steve McGovern, 2nd Row: Ed Hendershott, Shane Kump, Shawn Kump, Mark Callahan, Tracy Klinkhart, Terry Todd.

TRACK

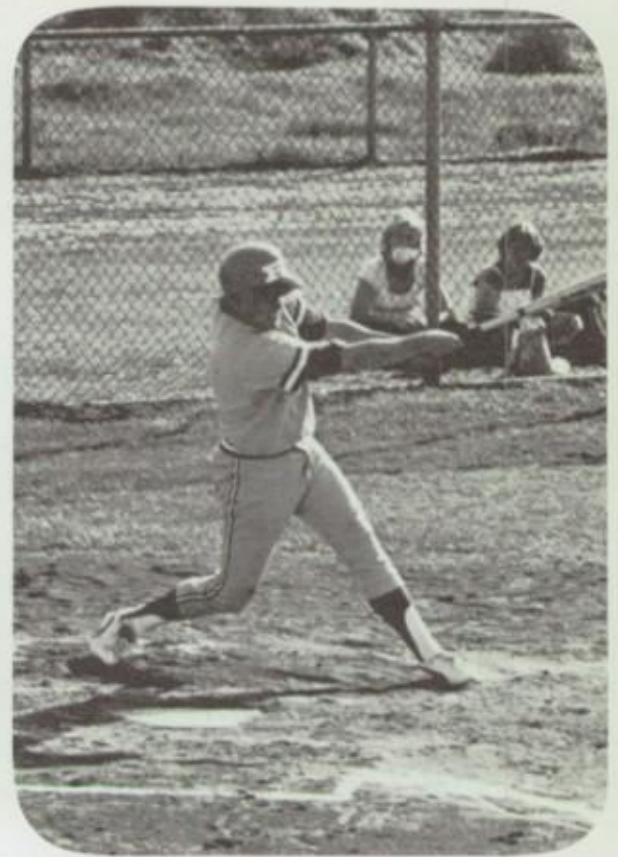

Amidst a turbulence caused by transportation difficulties and unsafe playing conditions, the Rim Scots Varsity Baseball team compiled a less than mediocre record of 6-13. Although each of the 13 losses was to a team that reached the C.I.F. playoffs, the only real "joy in Mudville" came when the Scots defeated the seemingly unbeatable Barstow Aztecs in one of the two Rim home games. Although this

year's squad was the largest in the past six years, it remained inexperienced and outplayed most of the season. Whoever next year's baseball coaches happen to be, they will have a major task facing them to make Rim baseball players competitive in the Sunkist League. Players completing four years in the program include Bryan Lee, Greg Ward, Larry Busby, and Robert Burbach.

J.V. Baseball

J.V. Baseball took a back seat to the weather this season. Many games were missed due to rain, snow, fog, and lack of field space; however, 18 freshmen and sophomores fought off the elements and completed their season. Players that Coach Gradillas could always count on were Jeff Brubach, Ron Hayhurst, and Tad Martin.

GOLF

The golf team is stronger than in years past and has won 5 games and only lost 1 to a powerful Barstow team, but it has beaten our toughest opponent in league, Bloomington.

This is golf's first chance at League Championship and leading the golf team are Ray Gutierrez, Scott Speidel, Phil Warren, Jim Kington, Eddie Warren, Chris Cunliffe, and Mark Monninger. Coach Art Chrissinger is very impressed with his golf team and would like a championship title.

The '77-'78 Band, composed of approximately 80 students, has been affected and limited by year-round school. (Imagine $\frac{1}{4}$ of the members being off track every single session!) A positive factor this year has been the addition of Mrs. Shirley Parks to teach band during the sessions when Mr. Gibford is on vacation.

Activities of the year included: the money making activities of selling smoke detectors and chocolate bars; a community service in the fall in the sponsoring of the Glenn Miller Band; and, the usual band performances at football games and the Pep Band playing for basketball games.

STAGE BAND

With the help of Mr. Gibford, better participation, and new up-to-date music, this year's *Stage Band* has progressed in the field of jazz. This year, the *Stage Band* has had about 20 people participating every session. The *Stage Band* plays for community gatherings such as Rotary Club and Lions Club. It has played at MPH and twice at home during club lunches. They also played for Rim High's music programs. With the devotion of Mr. Gibford and all the members, this year's *Stage Band* has progressed immensely.

Membership is open to anyone who wants to come and be in the picture. The Drama Club has been active in many worthwhile projects on campus and should be highly commended.

SKI SCOTS

SKI SCOTS — 1977-78

The Ski Scots, a recreational ski club, had a series of meetings during Sessions 3 and 4. Hopes are now directed toward a possible mid-week trip to Mammoth during Spring Vacation. Another activity that the Ski Scots hope to arrange soon, now that snow is finally a reality, is one or more mid-week afternoon ski trips to Green Valley Lake Ski Bowl, where they have in past years been able to use the area on an exclusive basis.

FLYING BUFFALO

Flying Buffalo International Ltd. has changed its name. Many things have been done this year under the leadership of our Pharoah, Darien Wood. As indicated by our new name, we have expanded internationally. Charles Tompkins, one of our members, has become the official Buffalo Ambassador to New Zealand, bringing to their poor fantasy starved minds such favorites as: "Empire of the Petal Throne" and "Nuclear Destruction." Another new event which we hope will happen again in the future was the Flying Buffalo float in the Homecoming Parade. Upon this float was a representation of one of the most feared creatures on the world of Tekumal, the Ahoygga.

This year our Pharoah was Darien Wood; the Lord High Priest, Marty Nicholas; and, the Scribe of the Holy Archives, Tracy Lavin. Flying Buffalo is for all sentient, semi-intelligent beings who enjoy the worlds of fantasy and wargaming. We invite anyone on campus who possesses these qualities to join the club and reap the benefits thereof. *Karen Brase, another loyal Buffalo, will soon depart on a similar mission as our Second Ambassador.

Spanish Club

Spanish Club, as usual, has been going strong this year. The advisors, Mr. Martinez and Mrs. Garcia, and the officers, President Jeannie Parks and Secretary-Treasurer Dawn Dean, have planned an activity for every session. The club's large membership has gone to Disneyland and had pizza parties and other get togethers. In keeping with tradition, they made their annual trip to Olvera Street in Los Angeles.

A.F.S

AFS is a club that sponsors Rim Students going abroad as well as foreigners who come to Rim High — this year we have had two foreign students *Didier Garcon* from France and *Kerry Spence* from South Africa. However, we were also able to send two Rim students overseas — *Gail Wardrip* who was selected to spend last summer in Japan which she described as “a very different experience” and *Charles Tomkins* who is currently spending the year in New Zealand. During the year we have had ice-cream socials, pot-luck dinners, a halloween party and various other get togethers.

Left to Right: Front: Annikka Turunen (Finland), Kerry Spence (South Africa), Roasanne Bernardy (President), Didier Garcon (France), Per-Erik Nillson (Sweden), and Chris Millard. RIM HIGH BUSINESS CLUB

The Business Club is an organization exclusively for the students in the Business Dept. They explore careers that they are interested in, have outside speakers and learn about the "world of work."

The Christmas season is their busiest, they sell candy canes, Santa Grams and Sponsor the "Decorate the Door" contest. Among their other projects are: Easter Grams and recognizing the school secretaries during National Secretaries Week. All students in the business Dept. are eligible to join the organization.

The California Junior Statesmen is a club in which students can actively get involved in the problems which face us today. The members of this club represent all of the students in our school in order to make changes that are meaningful to all. They had two conventions this year, one at the state capitol, and one in San Diego, where they met with hundreds of other high school students to discuss, debate, and learn more about current issues. They've had many fund-raising projects, and put on a political fair and debates for the history classes. The officers this year were: Pres., Glenda Emert; V-P, Emily Popovich; Sec., Julie Kiser; Treas., Scott Walsh.

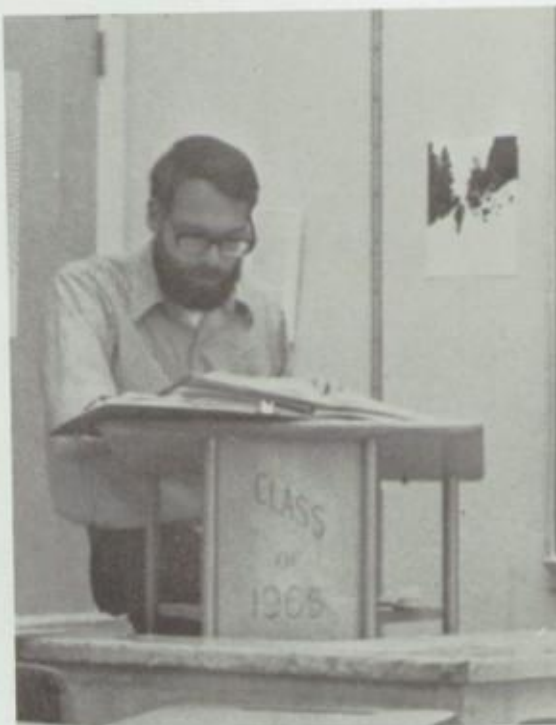

Teacher-Advisors this year were Mr. Lane and Mr. Nicholas.

First Row; L to R: Jim Kington, Julie Kiser, Emily Popovich, Glenda Emert, Scott Walsh. 2nd Row: Dana Brittingham, Roseanne Bernardy, Charles Tompkins. 3rd Row: Peter Monsour, Kerry Spence, Brad Angleton, Jamie Belmont. AMATEUR RADIO CLUB

The Amateur Radio Club meets every club lunch in J-9. Although at the present time it only has three members, anyone interested should participate. You need no background in Radio or Electronics, so anyone interested should give it a try. During the meetings members study Morse Code and prepare for their license exam.

The long range goals for the club are: having licensed operators and a school radio station. Who knows maybe one day you'll be able to press the buttons on your radio and tune in KRIM.

Not Enough Time
— Terri Morris
There's never enough time.

There's never enough time to do
the things you want to do.
Especially when they mean
so much to you.

There's never enough time to give
the love you want to give.
There's just not enough time
in your life to live.

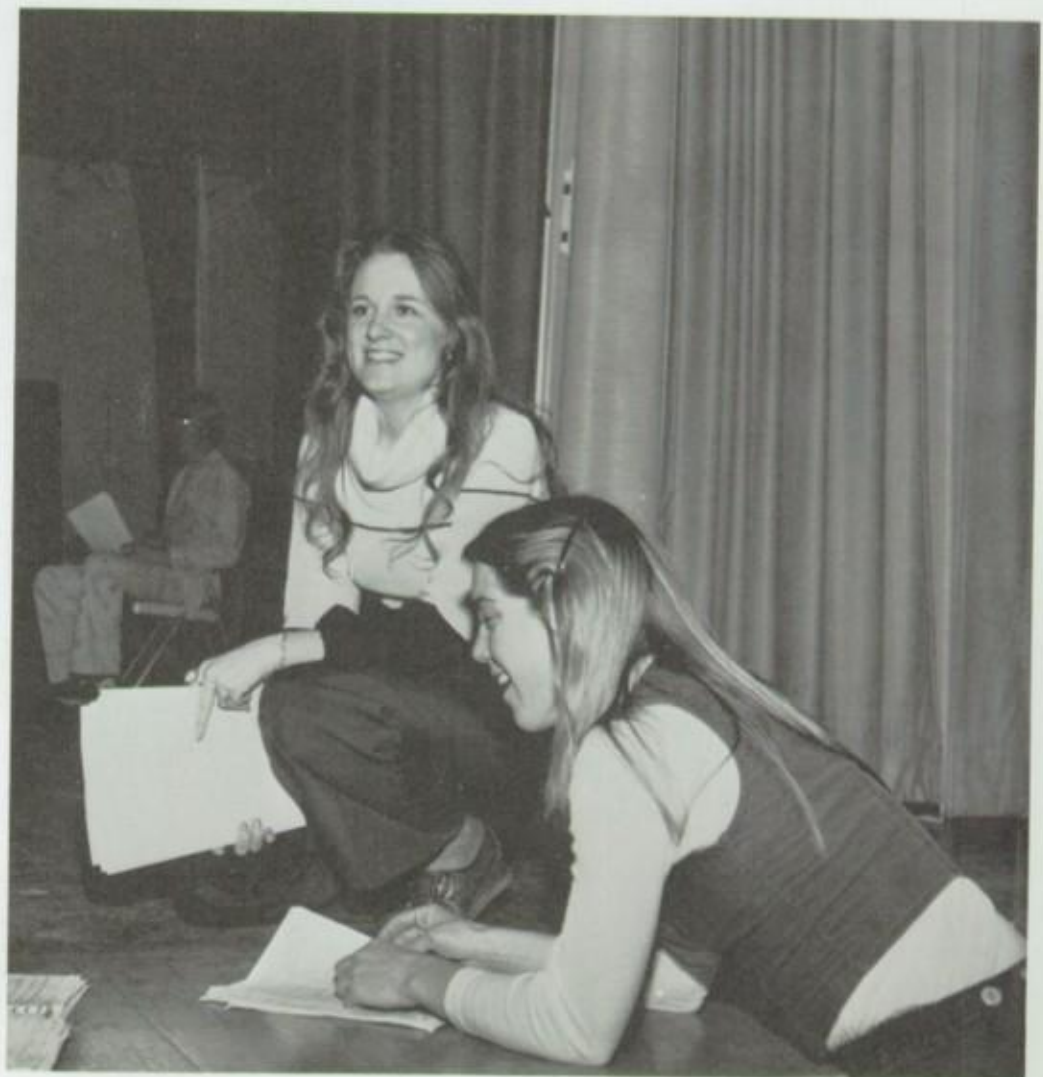

Aging
— Kathy LaBosco

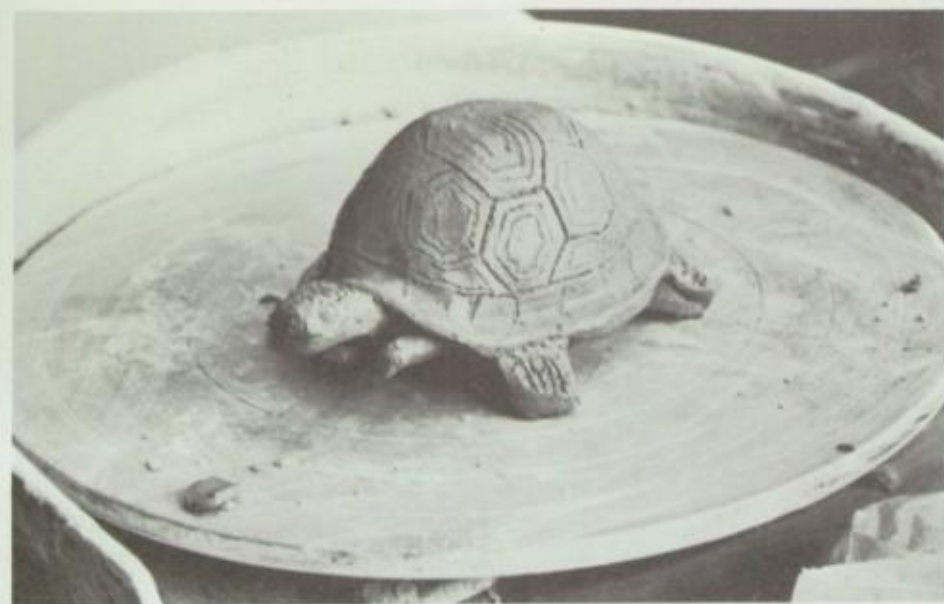

I used to be
in a hurry
To grow old
and just be *me*

So many things
I want to do
Be on my own
And try my wings.

But when I think
that we are all
Heading towards one thing
and that is to die

I am not in any hurry
to get there
any faster.

A Gift

If I could I
Am sure you
Know that I
Would give to
YOU a rainbow
Late at night
While you were
Asleep, I'd
Sneak into
Your room and
Put it by your
Side. When
You awoke
You'd find my
Rainbow there
Beside you . . .
Stretching out
To some place
Far away. I
Hope you'd
Be happy to
Know that I
Would be waiting
For you at the
Other End.

CREATION

The desire to create wells within every person. We create with our words, with our hands, with our minds, with our actions. Our creation expresses our deepest being.

What's inside of this person — me?
Am I what I want to be?
Can I cope with the problems of today?
Will I always feel this way?
Can I look ahead and see what's there?
Or do I even care?
I think of the things I've done in the past
Good and bad — they're not the last.
We reminisce of yesterday and dream of tomorrow
Reliving each moment of happiness and sorrow.
But what of today — where do I stand?
Is there someone who will take my hand?
Someone to take as well as give
That I will know as long as I live?
And when all this has come and gone
Will good memories still hang on?

— Denise Dawe

ACTIVITIES

"Once Upon a Time" was the Homecoming theme and the basis for the float designs. The queen and princesses cars led the football half-time parade. These were followed by the class and organization floats and then the Drill Team. The Freshmen Class float won 1st prize; Maranatha club float took 2nd; and the CJS float was awarded 3rd place. At the end of the parade, the Homecoming Court was duly crowned on the football field: Kelly Lynch, queen; Roddy Hendry, king; Maureen O'Connor, maid of honor; Mike Kotraba, duke; Wendy Warnock, senior princess; Gary White, senior prince; Janell Jones, junior princess; Tammy Warnock, sophomore princess; and, Edie Akin, freshman princess.

CHRISTMAS WEEK

Ho! Ho! Ho!

DANCES

This year there were many exciting dances at good ol' Rim High. For variety we even had staged discos, besides the typical live bands. The secret of success for our dances? The ability to provide the needed something for everyone. We've got music, dark corners, nice parking lots, bathrooms and even sheriffs! Let's keep in the boogie spirit, and continue to provide that wonderful atmosphere!

ARTISTIC ACTIVITIES

Activities within the Art Department are always fascinating. Drop by any day and watch the throwing of pots, the weaving, the painting — real budding artists here! Silk screening has been done for a number of years but with the current T-shirt fad came into its own this year. In the fall came Star Wars T-shirts; we had hearts for Valentine's Day and shamrock for St. Patrick's. Whatever your interest, you could personalize your very own T-shirt.

RIM HIGH SCHOOL PROUDLY PRESENTS

THE EIGHTH ANNUAL TALENT SHOW

Produced and directed by
Billy Dickson

Co-produced and directed by Mike Kotraba and Susette Overton.

For the eighth annual talent show, rather than having one particular theme, the show was built around different ideas from television shows such as the old "Laugh In," and the ever hilarious "Gong Show." Also, many original ideas were incorporated in the making of a very successful talent show this year.

There were a variety of unusual acts,

including a Jonathan Livingston Seagull slide show, some tap dancing, pantomimes, and many excellent singers, with whom the audience seemed well pleased.

Extra special thanks to Mr. Bill Dick-

son for another great show, and great big acknowledgements go out to our stage crew, lighting and sound people, and everybody who had a hand in the making of something that will be well remembered in the immortal Talent Show Hall of Fame.

SPECIAL ACTIVITIES

Activities:
Operation Clean-Sweep
Costume Day
Mr. Dement's Party
Hall Activities, See the above
Tourist Day

Operation Clean-Sweep involved caring students who donated their time to clean up the school grounds, the hallways, etc.

On *Costume Day*, Students came to school dressed in their Halloween costumes. The day's activities included an assembly for the bizarrely dressed and a contest for the best costumes. The winner of the contest was Darth Vader portrayed by Dave Giebrich.

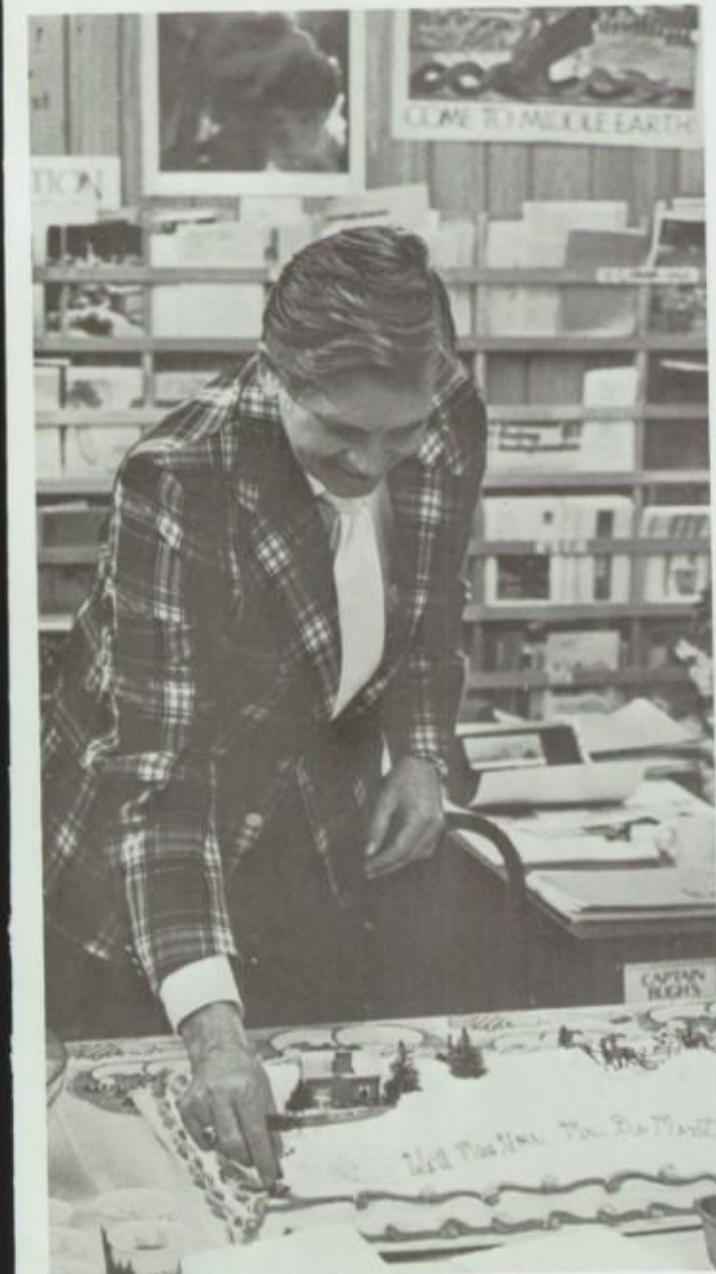

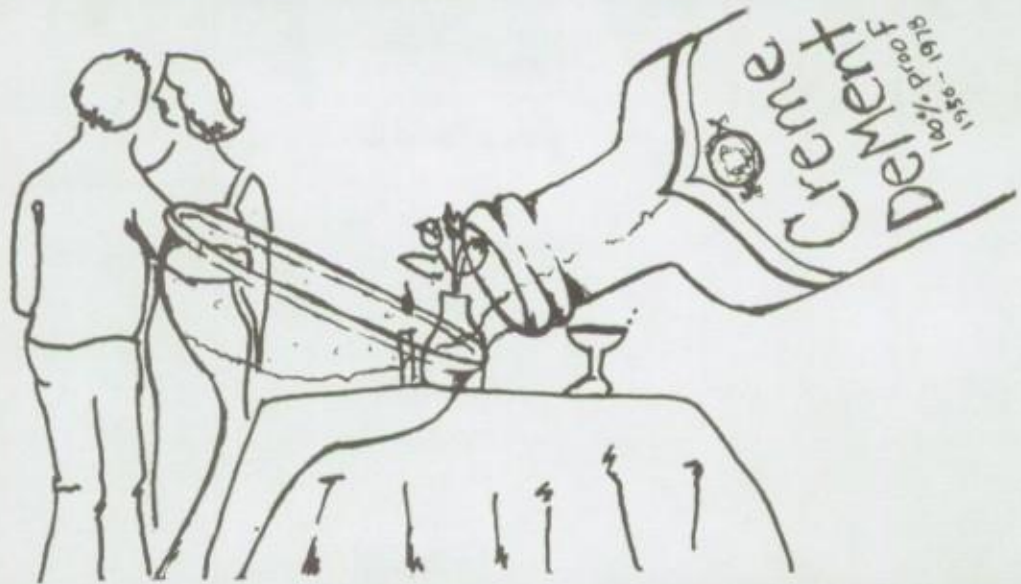

Mr. DeMent's Party was held in honor of his 22 years of service at Rim Hi. All Students and faculty were invited to share in this occasion. They shared memorable munchies with him as well.

VISITING STUDENTS

*Didier Garçon
Lyons, France
American Field Service*

I am 18 years old, I am here as an AFS student and lived with the Velarde family having a very full experience. I have already graduated in France the year before and when I am back to France I will go to a University of Technology. I like very much any kind of sports, but mostly basketball and skiing. I have discovered here, football, which is completely unknown in Europe, and I really dig it.

My father is in charge of a commercial enterprise for the repair and the sale of cars, and my mother takes care of the secretarial part of it. I have three sisters, Nicole (17), Veronique (15) and Catherine (13). I really plan to come back here with all my family so they will be able to have a very good picture of my experience. It will be also the opportunity for me, to meet again most of the people and friends, at Rim, who helped me to have the most valuable experience.

D. GARÇON

*Kerry Spence
Johannesburg, South Africa
American Field Service*

Memories of my year here at Rim linger in my mind: tardies, unexcused trancies, library passes, school plays, float building, CJS conventions, pep assemblies, AFS dinners. But, the memory that lingers the longest is my teachers and friends who did so much to make me feel welcome and at home. Enough to make me feel like a typical American high school kid!

My year here in California and the mountains has been a unique and wonderful experience for me. Thank you for making it so.

I'm very glad that I had the opportunity to be a student at Rim of the World High School this year. It certainly has been a fun and learning time for me. Americans are a friendly people and I hope I will bring back to Sweden, some of the good spirit I got from you.

Rim is a very special school with its beautiful location and nice people. I want to thank *all* of you, who have made my year in California so rewarding.

Pelle

*Annikka Turunen

Thanks to all of you! A good memory of days at school: my classes, the most beautiful mountains, forests, hot summer days, and especially a good memory of all friends and teachers at Rim will always be with me!

Students,

I have enjoyed the opportunity to serve as your ASB president. Thank You.

This was our first year with an activity director. Mr. Eynon helped us a great deal in that position, and I would like to thank him. This was also our last year with Mrs. Chute, who I feel deserves special thanks for her years of service to Rim students.

This past year, I think we saw increased involvement in ASB activities on the part of both the students and faculty. I hope that this trend will continue in the future, for involvement is essential to school spirit.

Good luck in your future achievements.

Sincerely,

Darien Wood
ASB President

If nothing more, this year, the students of Rim of the World High School have succeeded in improving their student representation far beyond what it has been in the past few years. I believe this is very important. All second period representatives of the ASB were allowed to voice their own opinions on any subject brought upon the floor during the meetings. Almost all bills were challenged this year thus discouraging hasty, unreasonable decisions. This was great! I hope students of Rim High, in the future, will not forget how important it really is having representation in their school government. It makes the difference between a dud year and a memorable one.

AUTOGRAPHS

The wind of change affects Rim Students in many ways — some of them awesome.
We remember with love and compassion those no longer present on our campus.

IN MEMORY OF

KEN COCHRAN

Why do they want to see reality

all the time

When there are other worlds to explore

Other worlds created

Changed

Then recreated

Why should we remain earthbound

At least our minds should be free

To wander for a time

Then return

Our mind is a key to a door

To many doors

Of other worlds

Of other places

Of other times

At last

What is a mind

But a mirror of our soul

— Ken Cochran

December, 1977

IN MEMORY OF

CYNTHIA JACKSON

An Early Spring

For some, spring comes early.

That breath of sweet fragrance,

The sound of bird-rhapsody,

The feeling of being free

Meets the senses

In a wave of sudden joy.

A soul might leave the

Hot confines of the earth

And fly home

To an existence

Of cool breezes

Petal softly caressing

A weary cheek.

Some are fortunate.

They are set free

On an eternal springtime,

An everlasting peace and

Warming rays of sun

Forever

Lingering in the farthest reaches

Of the soul.

— Susette Overton
